Christ's Idea of Authority in the Church John Wijngaards, 2023-08-23 The Catholic Church like other churches has created institutions to support its spiritual mission The exercise of authority plays a central role in how they function The truth is that ugly accretions have attached themselves to that authority in the course of the centuries Like weeds scallops and rubbish clinging to the bottom of a ship Think of unchristian cultural views customs and practices from the Roman Empire the barbarian tribes in Europe and the feudalistic Middle Ages that nailed themselves to the ministries These cancerous growths have even been enshrined in church laws This booklet identifies what is wrong by going back to Jesus original intentions Find out how Jesus wanted the spiritual authority he gives to be exercised in practice

Beloved Dust Robert Davis Hughes, III, 2008-08-15 There has been an explosion of interest in classical Christian spirituality over the past 50 years While a great deal of work has been done on the history of Christian spirituality there has been no full scale theological and pastoral treatment of Christian spiritual life since before the Second Vatican Council Beloved Dust takes a realistic contemporary view of human being as entirely physical dust and shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory What is unique about Robert Hughes's approach is the effort to root spiritual theology in the doctrine of the Spirit an outgrowth of the renewed interest in the Trinity among both Catholics Karl Rahner and Protestants Robert Jenson Also striking is Hughes's emphasis

on ordinary life Here as a married Episcopal priest theologian who brings a distinctly Protestant perspective to a traditionally Catholic enterprise for so long the preserve of celibate priests What he achieves is a new presentation of the traditional teaching in the light of contemporary knowledge and practice Small Christian Communities and the Parish John Paul Vandenaeker,1994 Examines the pastoral and theological implications of North American Small Christian Community programs *Prayer for Parish Groups* Donal Harrington,Julie Kavanagh,1998 The 100 prayer services in this book can be easily adapted for specific needs and treat a wide variety of themes including the natural and liturgical seasons feasts and significant moments in human life *My Experience* Raymond A. Lucker,1988 n a warm and personal style Raymond Lucker shares a wealth of prayerful reflections from a bishop s point of view Bishop Lucker hopes that through these writings people might come to see that bishops are human These essays are pastoral letters in which Bishop Lucker shares insights concerns consolations and struggles he has experienced in his life s attempt to be true to his own understanding of his vocation These inner thoughts are rich nourishment for our own spiritual growth **Reflections on Spirituality in Pastoral Psychotherapy** C. Leon Sims,2013-11-14 Reflections of Spirituality in Pastoral Psychotherapy supports the pastoral and counseling practitioner s assurance that spirituality is imbedded within the human experience and may be presumed to be a positive resource for remediation and reconciliation The work is at once autobiographical and theological In many ways the author s approach echoes the pilgrim s path of the faithful disciple A clear distinction is provided by which one may identify the spiritually sensitive counselor Leon Sims sketches a treatment program but emphasizes how one may explore theoretical materials germane to a faith community to reframe approaches to clients problems and personal pain Although the approach is based on Christian principles there will suggestive resources for divergent orientations The model for theoretical reflection is a major strength of the book The Living Church ,1942 **The Chicago Theological Seminary Register** Chicago Theological Seminary,1991 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1 **House of Disciples** Michael H. Crosby,2004-01-28 The household was the basic unit of the early church it also constituted the basic unit of political economy until the Industrial Revolution This richly detailed work uses the notion of house as a unifying theme establishing the identity and concerns of the early Christian churches What emphases did Matthew s gospel have for that audience which Crosby establishes was urban based and prosperous and what does it mean to First World Christians today Through an in depth exploration of Matthew s gospel and its socioeconomic milieu House of Disciples shows how the world of the early church continues to challenge Christians nineteen hundred years later It makes a unique contribution to both New Testament scholarship and the practice of a contemporary spirituality *Preaching for Discipleship* Michael E. Connors,2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens Many parishioners are not aware of their role in the Christian initiation process In *Preaching Discipleship Preparing Homilies for Christian Initiation* Michael E Connors CSC provides homilists and catechists with the tools to
