La Discipline positive de 3 à 6 ans Jane Nelsen, 2020-09-16 Votre enfant quitte la petite enfance et poursuit sa route vers l'autonomie la confiance en soi et la socialisation Il apprend progressivement se repérer dans les relations Alors pourquoi mord-il Pourquoi est-il si timide Est-ce normal qu'il soit aussi actif et distrait Pourquoi fait-il des choses qu'il ne veut pas ce qu'il veut Faut-il le punir quand il désobéit Faut-il interdire ou laisser faire Tant de questions accompagnent cette phase de développement intense Cet ouvrage de Discipline Positive pour les parents d'enfants de 3 à 6 ans propose des pistes de réflexion et des actions concrètes pour accompagner les années de maternelle et la transition vers l'école élémentaire de façon constructive encourageante ferme et bienveillante Vous trouverez au fil des pages de ce livre des outils et des suggestions pour s'appuyer sur le jeu pour favoriser le lien et le bon développement de l'enfant viter les luttes de pouvoir tout particulièrement celles autour du sommeil des repas et de la propreté apprendre son enfant gérer ses motions et interagir respectueusement avec les autres dès le plus jeune âge transformer les difficultés et les comportements inappropriés en opportunités d'apprentissage de la vie sociale sans avoir recours aux cris et la punition discerner les propositions technologiques qui facilitent les apprentissages en cohérence avec le développement de l'enfant *Handbook of Parenting* Marc H. Bornstein, 2005-02-16 Completely revised and expanded from four to five volumes this new edition of the Handbook of Parenting appears at a time that is momentous in the history of parenting Parenting and the family are today in a greater state of flux question and redefinition than perhaps ever before We are witnessing the emergence of striking permutations on the theme of parenting blended families lesbian and gay parents and teen versus fifties first time moms and dads One cannot but be awed on the biological front by technology that now not only renders postmenopausal women capable of childbearing but also presents us with the possibility of designing babies Similarly on the sociological front single parenthood is a modern day fact of life adult child dependency is on the rise and parents are ever less certain of their own roles even in the face of rising environmental and institutional demands that they take increasing responsibility for their offspring The Handbook of Parenting concerns itself with different types of parents mothers and fathers single adolescent and adoptive parents basic characteristics of parenting behaviors knowledge beliefs and expectations about parenting forces that shape parenting evolution genetics biology employment social class culture environment and history problems faced by parents handicap marital difficulties drug addiction and practical concerns of parenting how to promote children's health foster social adjustment and cognitive competence and interact with school legal and public officials Contributors to the Handbook of Parenting have worked in different ways toward understanding all these diverse aspects of parenting and all look to the most recent research and thinking in the field to shed light on many topics every parent wonders about Each chapter addresses a

different but central topic in parenting each is rooted in current thinking and theory as well as classical and modern research in that topic each has been written to be read and absorbed in a single sitting In addition each chapter follows a standard organization including an introduction to the chapter as a whole followed by historical considerations of the topic a discussion of central issues and theory a review of classical and modern research forecasts of future directions of theory and research and a set of conclusions Of course contributors own convictions and research are considered but contributions to this new edition present all major points of view and central lines of inquiry and interpret them broadly The Handbook of Parenting is intended to be both comprehensive and state of the art As the expanded scope of this second edition amply shows parenting is naturally and closely allied with many other fields
