Psychiatry And General Practice Today:

Psychiatric Presentations in General Practice K. S. Jacob, Anju Kuruvilla, 2016-11-30 Medical schools currently use specialist perspectives on psychiatric disorders to train physicians nurses and health professionals This results in a lack confidence among non psychiatric health professionals which reduces their ability to manage common mental health conditions in primary care and secondary hospitals This book is a practical guide to common mental health conditions encountered in general medical practice *Primary Care Mental Health* Linda Gask, Tony Kendrick, Robert Peveler, Carolyn A. Chew-Graham, 2018-09-20 Around ninety per cent of all patients with mental health problems are managed solely in primary care including thirty fifty per cent of all those with serious mental illness Primary care plays an increasingly essential role in developing and delivering mental health services and in the wellbeing of communities In this book internationally respected authors provide both a conceptual background and practical advice for primary care clinicians and specialist mental health professionals liaising with primary care Clinical policy and professional issues such as working effectively at the interface between services are addressed with a key focus on patient and service user experience Following the highly successful first edition which was awarded first prize at the BMA Medical Book Awards in the category of Primary Health Care this fully updated volume includes new chapters on mental health and long term physical conditions prison populations improving access to care and public mental health Contemporary Psychiatry Fritz Henn, Norman Sartorius, Hanfried Helmchen, Hans Lauter, 2013-11-11 Contemporary Psychiatry is an international textbook developed on the basis of the experience with its first three German editions making it a work with long and distinguished tradition It combines the German tradition of phenomenology and diagnosis going back to Kraepelin with the Anglo American tradition and the DSM IV diagnostic system In doing so Contemporary Psychiatry becomes a unique source among psychiatric texts offering a truly international approach to state of the art knowledge and future perspectives of psychiatry The four internationally renowned editors were able to acquire the leading specialists as contributors No less than 120 authors from 10 different countries ensure an extremely high standard and guarantee the consideration of cross cultural aspects A special feature of Contemporary Psychiatry is that it includes chapters on psychiatric disorders caused by extreme circumstances such as for example migration torture rape violence and natural and man made disasters *Just a GP* Denis Pereira Gray, 2024-07-22 With General Practice currently facing existential challenges it is truly inspirational to be reminded what determined individuals with a clear set of intensely human values can achieve This is the story of an extraordinary career during a profoundly important phase in the history of British medicine someone who was justifiably proud to be just a GP Sir David Haslam CBE FRCGP Past President and Chairman of Council Royal College of General Practitioners Past President British Medical Association Past Chair National Institute for Health and Care Excellence NICE This autobiography from Sir Denis Pereira Gray offers a unique insight into the life and career of a hugely distinguished and influential general

practitioner from what led him to study medicine learning his craft in the 1960s through years of clinical practice and research to senior leadership roles within and outside the Royal College of General Practitioners Through detailed diaries enlivened by wonderful anecdotes both personal and professional Sir Denis shares candidly with the reader a lifetime of experience gained and lessons learned highly applicable today when general practice is facing many challenges and detractors Both informative and inspirational Just a GP is an essential read for many who have journeyed through the profession with Sir Denis and those who are in the midst of or contemplating a career in general practice today

Affective and Non-psychotic Disorders Alan Lee,1999 Discusses the evidence based assessment of deliberate self harm and covers the special problems of general psychiatric practice when alcohol misuse and severe personality disorder complicate the picture

Medical Practice Phillip R. Slavney,1998-10-16 In this book Johns Hopkins psychiatrist Phillip R Slavney M D offers a concise
 guide that will help primary care physicians evaluate and treat patients who are delirious demoralized thinking of suicide or
 refusing to follow medical advice Although these patients exhibit emotional distress cognitive disturbance or maladaptive
 behavior the cause of the problem is often their medical illness and treatment For that reason many such patients can receive
 excellent care from their own physicians physicians who given the resistance of managed care companies to specialist
 referrals must now bear that responsibility in any event After an introductory chapter on clinical assessment Slavney
 discusses each of these common problems as it occurs in the clinical setting with illustrative cases and specific advice about
 evaluation and treatment Dr Slavney has written lucidly and carefully about these very important issues clarifying his
 exposition through a series of case examples This book should be enormously useful not only to students and house staff but
 also to practicing physicians and faculty especially those making the rounds on clinical services One wishes in fact that it
 were possible to have Dr Slavney along on rounds this volume is a useful move in that direction Jeremiah A Barondess M D
