Michael Ridenour found a Bible one day and began reading Initially excited by its lively stories he paused at the New
Testament faced with a baffling inner question Where in the world is Christ today An unexpected answer came during his
teenage years with a spontaneous experience of the Christ being but this only led to more questions Later discovering the
work of Rudolf Steiner he found the authentic vision and language he needed to clarify and better comprehend his own
experiences but the questions kept coming The Greatest Gift Ever Given is a fruit of Ridenour s life long search for answers a

book that is at once deeply thoughtful humorous philosophical and poetic In Part I Raising the Foundation he studies the Judeo Christian mysteries After humanity s fall into materialism these mysteries signal the development of human individuality The impulse for self hood continues with Christ who brings a new path of divine love But the mystery of Christ leads naturally to his shadow Today we can no longer escape the question Where in the world is Judas Without Judas s betrayal Christ s greatest gift could never have been given We can t reject Judas but should transform him within ourselves In Part II Lowering the Temple Ridenour relates the theme of metamorphosis to the contemporary world Once guided by initiates personal transformation now needs to blossom from within each individual human soul The topic of evolution takes us to a consideration of the perennially controversial Charles Darwin as well as the intuitive approach of Goethe and the living thinking of Rudolf Steiner A rich treasure trove of ideas The Greatest Gift Ever Given sharpens a dynamic focus on current spiritual needs and contributes a thought provoking response to them **Wait For It** Jesse McLean,2014-09-01 Re live the entire hit series with this insightful companion As the record breaking run of the CBS hit sitcom How I Met Your Mother draws to an end new fans of the epic romantic comedy are still appearing in droves thanks to the joy of binge watching on demand What better way for old fans and new to reminisce about all the friendships and fun than by looking at the series as a whole in Jesse McLean s Wait For It With an entertaining examination of each of the nine seasons of the show McLean not only looks at the characters and stories but the making of stories the running gags the lead actors and the lasting impact of How I Met Your Mother on pop culture thanks to a cult fandom that s grown to a national obsession

The Form of American Romance Edgar Dryden,2019-12-01 Originally published in 1988 Edgar Dryden challenges recent criticism that has tended to discredit or at least devalue the importance of romance as a thematic and generic category of American fiction In The Form of American Romance he examines its evolution and meaning through readings of five exemplary texts Hawthorne s Marble Faun Melville s Pierre James s Portrait of a Lady Faulkner s Absalom Absalom and Barth s Letters Each of these novels treats the problems of reading and writing in a self referential way that reflects on the questions they dramatize and Dryden has chosen each with the others in mind Taken together they chart a line of development with representative examples of what literary history calls romanticism realism modernism and postmodernism and thus they suggest a certain story about the continuity of the American novel
