GEORGE Harrison the Quiet One ,2002 **The Quiet One** Alan Clayson,1990-01-01 The Words and Music of George Harrison Ian Inglis,2010-03-23 This book offers a comprehensive assessment of the music of George Harrison revealing him as one of the most gifted and authentic singer songwriters of his generation The Words and Music of George Harrison is an in depth appreciation of this often underappreciated musician following Harrison s development as a singer songwriter from his earliest songs with The Beatles through his final album Brainwashed released after his 2001 death from brain cancer The Words and Music of George Harrison sheds new light on Harrison s 40 year career examining his music output in the context of the enormous personal and professional changes he underwent from the early days in Liverpool and the global explosion of Beatlemania through a solo career marked by spiritual concerns political activism and high profile collaborations As the book shows at every stage George Harrison s songs posed questions provided commentaries and looked for solutions with results that add up to a remarkable music legacy **The New Rolling Stone Album Guide** Nathan Brackett,Christian David Hoard,2004 Publisher Description **George Harrison: Behind The Locked Door** Graeme Thomson,2013-09-17 Behind The Locked Door is Graeme Thomson s rich insightful account of George Harrison s extraordinary life and career This Omnibus Enhanced digital edition includes Spotify sections detailing Harrison s early influences his contributions within The Beatles and the best of his solo career Additionally an interactive Digital Timeline leads you through a collage of music videos and images displaying live performances interviews memorabilia and more As a Beatle Harrison underwent a bewilderingly compressed early adulthood buffeted by unprecedented levels of fame and success from schoolboy to global superstar Beatlemania offered remarkable experiences and opportunities and yet dissatisfaction still gnawed within His life became a quest for meaning and truth which travelled far beyond the parameters of his former band and his former self This elegant in depth biography tracks these changes and conflicts marking the struggle of walking a spiritual path lined with temptation Drawing on scores of interviews with close friends and collaborators rigorous research and critical insight Behind The Locked Door is a fascinating account of an often misunderstood man As well as an intimate character study it offers a full analysis of Harrison s music from his earliest songs for the Beatles to his landmark solo album All Things Must Pass his work with The Traveling Wilburys and the posthumous Brainwashed Behind The Locked Door provides the definitive account of a compelling contradictory and enlightening life

While My Guitar Gently Weeps Simon Leng,2006 Kronologisk gennemgang af George Harrisons sange med hovedvgt p tiden efter 1968 **The Music of George Harrison** Thomas MacFarlane,2019-04-08 George Harrison was one of the most prolific popular music composers of the late 20th century During his tenure with the Beatles he caught the wave of 1960s pop culture and began channeling its pervasive influence through his music Often described as The Invisible Singer his solo recordings reveal him to be an elusive yet essential element in the Beatles sound The discussion of George Harrison s

Beatle tracks featured in the text employs a Songscape approach that blends accessible music analysis with an exploration of the virtual space created on the sound recording. This approach is then used to explore Harrison's extensive catalog of solo works which due to their varied cultural sources seem increasingly like early examples of Global Pop. In that sense the music of George Harrison may ultimately be viewed as an important locus for pan cultural influence in the 20th century making this book essential reading for those interested in the history of songwriting and recording as well as the cultural study of popular music.

Teens, TV and Tunes Doyle Greene, 2014-01-10 This political analysis of teen culture examines the historical and ideological development of American youth society the economic and ideological relationship between television and popular music and the ideological rivalry between Nickelodeon and Disney. More than mere entertainment teen sitcoms and pop music portray a complex and often contradictory set of cultural discourses. They engage in a process of ideology marketing and hip versus square politics. Case studies include *Saved by the Bell*, Britney Spears the movie *School of Rock*, early pop music sitcoms like *The Monkees* and *The Partridge Family* and recent staples of teen culture such as *iCarly* and *Hannah Montana*. What is occurring in teen culture has a crucial bearing as today's teens age into adulthood and become the dominant generation in the impending decades.

Stories Done Mikal Gilmore, 2008-11-18 The 1960s and 1970s represent a rare moment in our cultural history music was exploring unprecedented territories literature was undergoing a radical reinvention politics polarized the nation and youth culture was at the zenith of its influence. There has never been nor is there likely to be another generation that matches the contributions of the artists of that time period. In this poignant book journalist Mikal Gilmore weaves a narrative of the 60s and 70s as he examines the lives of the era's most important cultural icons. Keeping the power of rock roll at the forefront Gilmore gathers together stories about major artists from every field George Harrison Ken Kesey Johnny Cash Allen Ginsberg to name just a few. Gilmore reveals the truth about this idealized period in history never shying away from the ugly influences that brought many of rock's most exciting figures to their knees. He examines how Jim Morrison's alcoholism led to the star's death at the age of twenty seven how Jerry Garcia's drug problems brought him to the brink of death so many times that his bandmates did not believe the news of his actual demise how Pink Floyd struggled with the guilt of kicking out founding member Syd Barrett because of his debilitating mental illness. As Gilmore examines the dark side of these complicated figures he paints a picture of the environment that bred them taking readers from the rough streets of Liverpool and its more comfortable suburbs to the hippie haven of Haight Ashbury that hosted the infamous Summer of Love. But what resulted from these lives and those times Gilmore argues was worth the risk in fact it may be inseparable from those hard costs. The lives of these dynamic and diverse figures are intertwined with Gilmore's exploration of the social political and emotional characteristics that defined the era. His insights and examinations combine to create a eulogy for a formative period of American history.

Please Allow Me to Introduce Myself: Essays on Debut Albums George Plasketes, 2016-04-22 Debut albums are among the cultural artefacts that capture the popular

imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album each essay looks back at the album and places it within multiple contexts particularly the artist s career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists **This Bird Has Flown** John

Kruth,2015-10-01 The Beatles sixth studio album Rubber Soul was a game changer By December 1965 when the album was released the Beatles had played the first arena rock show at Shea Stadium for 55 000 delirious fans been awarded MBE Member of British Empire medals and were indisputably the greatest musical phenomenon since Elvis Presley With their first film A Hard Day s Night John Paul George and Ringo laid down the blueprint for everyone who ever wanted to form a group The movie entertaining as it was became an instruction manual for aspiring pop stars of the day on how to play dress and act Richard Lester s 1964 comedy turned out to be the touchstone for every music video that followed Then with the release of Rubber Soul the Beatles created an artistic benchmark to which their peers measured their craft and creativity Touring the world over two years the band had grown up fast Both musically and lyrically their new album represented a major leap Upon hearing Rubber Soul Bob Dylan allegedly remarked I get it you re not cute anymore Newsweek hailed the Beatles as the Bards of Pop while critic Greil Marcus claimed Rubber Soul was the best album they would ever make For Traffic s Steve Winwood the album broke everything open It crossed music into a whole new dimension and was responsible for kicking off the sixties rock era In This Bird Has Flown John Kruth not only analyzes the songs and making of Rubber Soul putting the album in context of the turbulent times in which it was created but captures the spirit of musical innovation and poetry that makes the record a standout in the Beatle s canon Mystical One Elliot J.
