One Marriage Under God explores thought-provoking insights. Whether you married the right or wrong person is entirely up to you. God has a good plan for every marriage. Your marriage needs to be recreated daily. Culture's alternatives to marriage are destructive. God's plan is flawless. Your marriage won't wait. Begin to build up today what God first brought together. Story Behind the Book: I have a real connection with this book. I even processed ideas and chapters while I was bass fishing. While that was scary, my hope is that it will disturb readers in a positive way, providing the hope that marriage really can be richly fulfilling. This book is different from the rest because each reader will discover the benefits of marriage done God's way, be challenged to recreate their marriage according to Scripture, be motivated to apply several marriage change principles, be provided with skills to become a Marriage Keeper, and to take positive steps to reverse our culture's trends toward divorce and living together.
