Seiber, 2015-09-19 BOOK BOUND This journal is designed to be used in conjunction with the 20 20 Bible Club teen curriculum or as a stand alone journal for those just looking for a way to take sermon and message notes in an organized and retrievable manner In this journal there are sections for note taking quiet time quotes prayer lists and a topical verses section The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual

chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul *Salvation History* Sungku Kang,2018-11-15 Salvation history can be thought of as twofold one is that God Himself personally takes action and the other is God has humans act An example of the latter is Exodus in which God had Moses lead the Israelites from Egypt to Canaan The skin garment that God made with slain animals for the fallen Adam is an example of the former Adam s fall is the very starting point of God s saving acts in human history In His saving acts God utilized his sin as the means of salvation However God s plan on saving human beings began far ahead of the creation of Adam for omniscient God already knew of Adam s fall before the world had begun As Apostle Peter confirms God s will to save lost sinners was planned from the very beginning and Jesus Christ was chosen before the creation of the world as our Savior In His saving plan Almighty God reversed all the negatives that would arise from Adam s fall into positives triumphing over them by the cross We need to be clothed in the robe of righteousness the garments of salvation through Jesus Christ The fig leaf coverings sewn by human efforts cannot cover our nakedness In essence the grace of salvation originates from God not from fallible humans Current human history has been heading towards a thorough restoration of God s image When the full and perfect restoration of God s image is accomplished salvation history will finally be complete Although heavily infected by sin we have constantly been advancing towards the perfect restoration of God s image and likeness When Jesus Christ returns to us our defiled image of God will be transformed into His perfect likeness On the day when He appears as Apostle John says we shall be like Him That day will be the very end of human history On that very day at long last God s redemptive plan will be completed Almost Every Answer for Practically Any Teacher Bruce Wilkinson,2010-01-27 Questions Answers Teachers face the threat of burnout the challenge of discipline and the complexity of different learning styles Here s your chance to get a firm grasp on every issue from A to Z This book contains 100 articles that provide insight inspiration and instruction for those who communicate God s truth at school home church or in the workplace Edited by bestselling author Bruce Wilkinson this is your resource for making a life changing impact on your students Includes articles by a variety of Christian leaders from Charles Swindoll to Joni Eareckson Tada and A W Tozer An Indispensable Tool for Every Teacher Everyone who communicates God s truth whether at school church the home or the workplace can use a little guidance from the experts Now this companion resource to *The 7 Laws of the Learner* presents the answers for the most common problems you will encounter when teaching for life change Handpicked by bestselling author Bruce Wilkinson these one hundred articles by some of the most revered Christian leaders will provide insight inspiration and
