Engels, 2018-10-03 This is the definitive book on classical cats The cat has played a significant role in history from the earliest times Well known is its role in the religion and art of ancient Egypt no less than its association with witchcraft in the Middle Ages But when did the cat become a domestic companion and worker as well There has been much debate about the position of the cat in ancient Greece and Rome Artistic representations are sometimes ambiguous and its role as a mouse catcher seems often to have been carried out by weasels Yet other evidence clearly suggests that the cat was as important to Greeks and Romans as it is to many modern people This book is the first comprehensive survey of the evidence for cats in Greece and Rome and of their functions and representations in art Donald Engels draws on authors from Aesop to Aristotle on vase painting inscriptions and the plastic arts and on a thorough knowledge of zoology of the cat He also sets the ancient evidence in the wider context of the Egyptian period that preceded it as well as the views of the Church fathers who ushered antiquity into the Middle Ages **The Longhaired Cat** Anna Sadler, 2008-05-05 At last a book for cat owners that emphasizes total care and companionship and addresses the special needs of longhaired cats The Longhaired Cat An Owner's Guide to a Happy Healthy Pet includes a description and beautiful color photo of each longhaired breed information on how and where to choose your cat sound advice on how to keep your cat healthy insight into your cat's behavior and much more The Longhaired Cat An Owner's Guide to a Happy Healthy Pet is full of easy to reference sidebars on everything from what to put in your cat's first aid kit to old world legends about cat history Whether you're a new cat owner with questions about bringing home your new pet or a long time cat lover facing new feline dilemmas this book will provide you with the answers you need **The Cornell Book of Cats** Mordecai Siegal, 1997 Covers cat nutrition reproduction first aid and preventive care **How to Clicker Train Your Cat** Stephanie Mantilla, 2021-06-01 Clicker train your cat in just 15 minutes a day with this easy to use guide Clicker training uses positive reinforcement to teach your cat new skills encourage good behavior and correct undesirable behavior How to Clicker Train Your Cat makes cat training easy with short targeted lessons that teach everything from basic commands to fun tricks Just communicate the desired behavior click and give your cat a treat it's that simple This guide to cat training includes A progressive approach Start small with essential commands and practical skills

that serve as a foundation for additional training solving behavioral problems and bonding through play Step by step instructions Find clear directions that break down each cat training lesson into small steps so both you and your cat feel confident and comfortable Cat communication basics Learn what your cat is telling you through their body language facial expressions and vocalizations and how their unique traits require training them differently than other animals Build a stronger connection and improve your cat's behavior with this positive approach to cat training

*The Cat's Meow* Jonathan B. Losos, 2023-05-02 The past present and future of the world's most popular and beloved pet from a leading evolutionary biologist and great cat lover Engaging and wide ranging *The Cat's Meow* is a readable and informed exploration of the wildcat that lurks within Fluffy The Washington Post The domestic cat your cat has from its evolutionary origins in Africa been transformed in comparatively little time into one of the most successful and diverse species on the planet Jonathan Losos writing as both a scientist and a cat lover explores how researchers today are unraveling the secrets of the cat past and present using all the tools of modern technology from GPS tracking you'd be amazed where those backyard cats roam and genomics what is your so called Siamese cat really to forensic archaeology In addition to solving the mysteries of your cat's past it gives us a cat's eye view of today's habitats including meeting wild cousins around the world whose habits your sweet house cat sometimes eerily parallels Do lions and tigers meow If not why not Why does my cat leave a dead mouse at my feet or on my pillow Is a pet ocelot a bad idea When and why did the cat make its real leap off the African plain What's with all those cats in Egyptian hieroglyphics In a genial voice casually deciphering complex science and history with many examples from his own research and multi cat household Losos explores how selection both natural and artificial over the last several millennia has shaped the contemporary cat with new breeds vastly different in anatomy and behavior from their ancestral stock Yet the cat ever a predator still seems only one paw out of the wild and readily reverts to its feral ways as it occupies new lands around the world Humans are transforming cats and they in turn are transforming the world around them This charming and intelligent book suggests what the future may hold for both *Felis catus* and *Homo sapiens*
