Robert Andrews, 2003-10-30 The New Penguin Dictionary of Modern Quotations contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa *The Prose Writing of Dylan Thomas* Linden Peach, 2015-12-22 *The Poetry of Dylan Thomas* John Goodby, 2013-07-31 An important reappraisal of the poetry of Dylan Thomas in terms of modern critical theory Dylan Thomas John Ackerman, 2016-07-27 That brilliant commentator on Dylan John Ackerman Andrew Sinclair Dylan Thomas Poet of his People John Ackerman's highly acclaimed study of the poems and prose works of Dylan Thomas traces his development as a writer linking this for the first time with his Welsh background The formative influence of Swansea on the young poet his family roots in West Wales and the childhood visits to Fernhill farm and the nearby Blaen Cwm cottage are all included together with the Boat House and Laugharne the absorbing village life and the inspiration of its now famous land and sea scapes The impact of Welsh nonconformity and the chapel and the radical politics of Wales are also explored as important influences on the poet's career The 1994 preface together with the introduction throws new light on later poems like Prologue the poet's work in film broadcasting as reader and as lecturer while his own newly discovered words sharp and witty and with a poet's eye highlight his life times and craft The kaleidoscope of his changing worlds is seen in his homes in Wales and England and his need in each one for a separate place to write whether the hillside shed in Laugharne or a gypsy caravan in Oxfordshire or Camden **Lost Sound** Jeff Porter, 2016-03-11 From Archibald MacLeish to David Sedaris radio storytelling has long borrowed from the world of literature yet the narrative radio work of well known writers and others is a story that has not been told before And when the literary aspects of specific programs such as The War of the Worlds or Sorry Wrong Number were considered scrutiny was superficial In Lost Sound Jeff Porter examines the vital interplay between acoustic techniques and modernist practices in the growth of radio Concentrating on the 1930s through the 1970s but also speaking to the rising popularity of today's narrative broadcasts such as This American Life Radiolab Serial and The Organist Porter's close readings of key radio programs show how writers adapted literary techniques to an acoustic medium with great effect Addressing avant garde sound poetry and experimental literature on the air alongside industry policy and network economics Porter identifies the ways radio challenged the conventional distinctions between highbrow and lowbrow cultural content to produce a dynamic popular culture *Artists in Dylan Thomas's Prose Works* Ann Elizabeth Mayer, 1996-01-20 Through an analysis of the artist figures in Thomas's early experimental prose Portrait of the Artist as a Young Dog Adventures in the Skin Trade and Under Milk Wood Mayer illustrates that he was continually exploring and re-evaluating his vocation the nature of his chosen medium and the world itself Mayer links Thomas's prose works to his poetry through the blending of lyric and narrative strategies As well she examines Thomas's self-conscious concerns about his relationship to his modernist contemporaries Mayer goes beyond the traditional New Critical

approaches that dominate Thomas scholarship and uses contemporary critical theory to offer new insights into the complexity and ambiguity of a major twentieth century writer Dylan Thomas W. Christie, 2014-11-20 Dylan Thomas A Literary Life offers an account of the poet s life along with a critical reading of his work that is designed to close what has been called the yawning gap between Dylan Thomas s popular and critical reputations Quite Early One Morning.
