Forgiveness does not mean condoning or agreeing with a horrendous act It is a decision to no longer attack one s self Forgiveness is quite simply the decision not to suffer To forgive is to make the decision to be happy to let go of judgments to stop hurting others and ourselves and to stop recycling anger and fear

Gerald Jampolsky A healthy relationship is one in which each person is free to be honest with the other in loving ways In a healthy relationship each person s needs are respected

Doreen Virtue Learn the art of patience Apply discipline to your thoughts when they become anxious over the outcome of a goal Impatience breeds anxiety fear discouragement and failure Patience creates confidence decisiveness and a rational outlook which eventually leads to success

Cameron M Clark will be the first to tell you he is no master at Love but rather an ever learning student on the subject In fact he does mention this fact in the Preface to The Great Big Love Quote Book

On the heels of publishing Book 1 of The Great Big Quote Book series Clark has drawn from his collection of thousands of inspirational quotes he s kept over the years and organized them into over 60 categories related to that mysterious thing called Love

However as he will be first to tell you Clark thought a book of over 401 quotes on just the subject of Love might be too repetitive uninspired and a little boring That s why he broke up the text and organized it into different categories that he felt applied to the different areas of how Love is applied to strangers our family members and others with whom we associate on a daily basis

His hope when starting the project was that the reader would feel as though they were reading a story about Love and all of her attributes rather than just a book with a bunch of quotes shoved together randomly

In The Great Big Love Quote Book you ll find words of Wisdom related to Communication Compassion Forgiveness

Honesty Loss Self Control Sincerity Trust and of course Love This makes the book an easily searchable tome for preparing for speeches talks wedding anniversary toasts or just inspiring a friend who is going through a difficult time In accordance to the quality standards set by Paul St George Press Clark was required to choose quotes of substance that actually instructed and or inspired the reader This led to the deletion of many sources originally included in the text because the quotes didn't really offer much to the conversation about Love Along with that stringent requirement Clark was also required to research the credibility of his sources The last thing he or his publisher wanted to do was include quotations from men and women who either had vapid superficial advice or lived lives that seemed to contradict said advice While nobody is perfect most of the men and women quoted in the following volume lived lives of some accomplishment some virtue had something important to say or all of the above In a book of more than 401 quotes Clark was able to draw on the words of famous women and men as Mother Teresa Francis Bacon Maya Angelou Dr Martin Luther King Dr Phil McGraw Brian Tracy and Atul Gawande Lesser known but people with just as important things to say about the subject include Doreen Virtue M Scott Peck Gerald Jampolsky and George MacDonald Of course ancient philosophers and teachers such as Confucius the Buddha Cicero and others were not left out Enjoy
