## **Quran An Introduction:**

*Introduction to the Qur'an* William Montgomery Watt, 2014-03-11 Surveying the life aims character and inspiration of Muhammad this classic introduction explains the history form and chronology of the Qur'an and gives the views of Muslim and Occidental scholars

*Prophets in the Quran* Brannon Wheeler, 2002-06-01 What was the name of Noah's son who did not survive the Flood Why do Pharaoh and Haman build the Tower of Babel For what reasons does Moses travel to the ends of the Earth Who is the Horned One who holds back Gog and Magog until the Day of Judgement These are some of the questions answered in the oral sources and Quran commentaries on the stories of the prophets as they are understood by Muslims Designed as an introduction to the Quran with particular emphasis on parallels with Biblical tradition this book provides a concise but detailed overview of Muslim prophets from Adam to Muhammad Each of the chapters is organized around a particular prophet including an English translation of the relevant verses of the Quran and a wide selection of classical medieval and modern Muslim commentaries on those verses Quran commentaries include references to Sunni and Shi'i sources from Spain Central Asia the Middle East and Africa An extensive glossary provides an annotated list of all scholarly transmitters and cited texts with suggestions for further reading This is an excellent book for undergraduate courses and students in divinity and seminary programmes Comparisons between the Quran and Bible and among Jewish Christian and Islamic exegesis are highlighted Oral sources references adapted from apocryphal and pseudepigraphical works and inter religious dialogue are all evident throughout these stories of the prophets This material shows how the Quran and its interpretation are integral to a fuller and more discerning understanding of the Bible and its place in the history of Western religion

**Introduction to the Holy Qur'an** Abd Al-Rahman Doi, 2000-03 An important glossary of Arabic and Islamic terms has also been added in order to make the understanding of unfamiliar terms easy for those students who are attempting the study of the Quran for the first time in the English language Also a section on the Invitation to the Quran has been included to bring out the fervour and anticipation of any Muslim with regard to the Quran It lends to the book a practical aspect to the approach to the Quran along with the other academic discussions this book entails

**The Heart of the Qur'an** Lex Hixon, 2013-12-04 Neither as Christians or Jews nor simply as intellectually responsible individuals says Hixon have members of Western civilization been sensitively educated or even accurately informed about Islam As tensions between America and the Middle East grow we should promote cross cultural understanding not violence This new edition with a new foreword and commentary by Neil Douglas Klotz allows the reader to drink from the illuminating fountain of the Holy Qur'an the foundation of Islamic culture First published in 1988 Hixon's poetic meditations on over nine hundred passages from the Qur'an show that they are not relics from the past but exist in a timeless present communicating as vividly as when they were first uttered Through clear and accessible language Hixon illustrates how the teachings of Islam can be applied to contemporary everyday life issues such as love relationships justice work and self knowledge In addition to the

selections themselves the book contains readable lively introductions to the tradition of Islam its basic precepts and what it says about other religions As the first such work in English to be written by a Muslim *The Heart of the Qur'an* continues to show that Islam is among the great wisdom traditions of humanity *Introduction to the Study of The Holy Quran* Hazrat Mirza Bashir-ud-Deen Mahmood Ahmad, 2016-04-20 Inspiring introduction initially written as a prologue to the English translation and commentary of the Holy Quran now printed separately by popular demand Includes an excellent and affectionate life sketch of Muhammad pbuh the Holy Prophet of Islam a history of the compilation of the Quran some prophecies in the Quran and how these have been fulfilled and characteristics of the main Quranic teachings *The Koran* Michael Cook, 2000-02-25 The Koran has constituted a remarkably strong core of identity and continuity for a religious tradition that is now in its fifteenth century This Very Short Introduction explores the significance of the Koran both in the modern world and in traditional Muslim culture Michael Cook provides a lucid and direct account of the Koran as codex as scripture as liturgy and as the embodiment of truth and examines its means of formation and dissemination He also discusses issues of interpretation for certain key verses demonstrating that fecundity of the text for readers throughout the world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**The Qur'an**, 2008-04-17 Read Your Lord is the Most Bountiful one who taught by the pen who taught man what he did not know The Qur'an believed by Muslims to be the word of God was revealed to the Prophet Muhammad 1400 years ago It is the supreme authority in Islam and the living source of all Islamic teaching it is a sacred text and a book of guidance that sets out the creed rituals ethics and laws of the Islamic religion It has been one of the most influential books in the history of literature Recognized as the greatest literary masterpiece in Arabic it has nevertheless remained difficult to understand in its English translations This new translation is written in a contemporary idiom that remains faithful to the original making it easy to read while retaining its powers of eloquence Archaisms and cryptic language are avoided and the Arabic meaning preserved by respecting the context of the discourse The message of the Qur'an was directly addressed to all people regardless of class gender or age and this translation is equally accessible to everyone ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **The Qur'an** Muhammad Abu-Hamdiyyah, 2020-09-23 This new work presents a concise and accessible introduction to the Qur'an Muhammad Abu Hamdiyyah first explores the concept of deity including the Christian and Jewish understanding of God and second discusses the Quranic message from the perspective of modern knowledge This

is an ideal textbook for students with no prior knowledge of the complexities of the Qur'an's message *The Qur'an* Abdullah Saeed, 2008-01 There is much more to the Qur'an than the selective quotations favoured by Islamic fundamentalists This book provides a student friendly guide to the many ways in which the Qur'an can be read Designed for both Muslims and Western non Muslim students it examines the Qur'an in Western scholarship as well as giving an overview of the rich interpretive traditions from the time of the Prophet Muhammad to the present day This guide is a concise introduction to all aspects of the Qur'an history understanding and interpretation providing coverage of both pre modern and modern periods plenty of examples to illustrate key points and aid student understanding summaries timelines and a glossary
