Rabbi Talks With Jesus:

Rabbi Talks with Jesus Jacob Neusner, 2000 Imagine yourself transported two thousand years back in time to Galilee at the moment of Jesus Sermon on the Mount After hearing it would you abandon your religious beliefs and ideology to follow him or would you hold on to your own beliefs and walk away In *A Rabbi Talks with Jesus* Jacob Neusner considers just such a spiritual journey *A Rabbi Talks with Jesus* Jacob Neusner, 1993 Straightforward terms concerning why while Christians believe in Jesus Christ and the Kingdom of Heaven Jews believe in the Torah of Moses and a kingdom of priests and holy people on earth **Children of the Flesh, Children of the Promise** Jacob Neusner, 2005-02-02 In this provocative follow up to his enormously influential *A Rabbi Talks with Jesus* Jacob Neusner challenges the apostle Paul to debate the true meaning and significance of Judaism Drawing new boundaries for Jewish Christian dialogue Neusner contends that Paul's misinterpretation of Judaism a misinterpretation perpetuated today by many Christians and Jews has resulted in the widespread perception of Judaism as ethnic and particular and Christianity as universal Yet as Neusner clearly demonstrates just as Christianity presents an option to all of God's faithful so too does Judaism's mediation of the voice of God at Sinai echo across the entire world *Rabbi Talks with Jesus* Jacob Neusner, 2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe *A Rabbi Talks with Jesus* Doubleday Publishing, **Encountering World Religions** Irving Hexham, 2019-05-21 The diversity of the world's religions has come to the West but believers are often ill equipped for any kind of serious engagement with non Christians In *Encountering World Religions* professor and author Irving Hexham introduces all the world's major religious traditions in a brief and understandable way Hexham outlines key beliefs and practices in each religion while also providing guidance on how to think critically about them from the standpoint of Christian theology African yogic and Abrahamic traditions are all covered Accessible and clear *Encountering World Religions* will provide formal and lay students alike with a useful Christian introduction to the major faiths of our world **Engaging the Doctrine of Israel** Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage* in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their

Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism **Pathways for Inter-Religious Dialogue in the Twenty-First Century** Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century **Pope Benedict XVI** Thomas P. Rausch, 2009 A study of the theological vision of Pope Benedict XVI with special attention to his view of Scripture as well as his Christology ecclesiology and liturgical theology **A Land Like Your Own** Jason M. Silverman, Amy Daughton, 2010-09-01 A Land Like Your Own explores the ways the Bible has reused previous traditions and has subsequently been reused by both Jews and Christians The ten essays included cover a broad range of topics in the Hebrew Bible the New Testament and subsequent traditions but they all highlight the many ways in which the traditions associated with Israel have impacted communities A Land Like Your Own will interest anyone involved in biblical studies students and scholars alike through its wide ranging array of topics highlighting how interconnected the many biblical studies subdisciplines truly are Building Bridges Among Abraham's Children Edward McGlynn Gaffney, Marcia Sachs Littell, Michael Bazyler, 2025-06-10 Building Bridges Among Abraham s Children honors the extraordinary career of Professor Michael Berenbaum a luminary in Holocaust studies museum design filmmaking and interfaith dialogue With contributions from renowned scholars and close friends the short and highly readable essays in this collection delve into the core themes that have defined Professor Berenbaum s work biblical and postbiblical narratives rabbinic thought and action Jewish commitment to education interreligious relations and Holocaust remembrance From his role in building the US Holocaust Memorial Museum to his pioneering work in preserving survivor testimonies through film Professor Berenbaum s influence is profound and multifaceted and the compelling essays in this volume serve as a tribute to a scholar whose enduring legacy continues to make a global impact *C.S. Lewis—The Work of Christ Revealed* P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo

either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work Matthew Douglas Sean O'Donnell,2013-11-30 Jesus is King Standing as a central theme of the Gospel of Matthew Jesus s kingly authority has profound implications for how we live in the world and interact with those around us In this reader friendly commentary seasoned pastor Doug O Donnell leads us through the first book of the New Testament highlighting key themes and offering helpful illustrations for preaching Drawing on years of pastoral experience O Donnell shows how Matthew s various emphases including Jesus s messianic titles fulfillment of Old Testament prophecy teaching on the kingdom of heaven and present and future role as judge all relate to Christ s kingship Designed to help pastors faithfully preach God s Word this commentary ultimately highlights Matthew s call to all people to worship and obey Jesus our humble King and gracious Savior Part of the Preaching the Word series *God Sent His Son* Cardinal Christoph Schönborn,Christoph von Schönborn,2010-01-01 In this work of Christology Christoph Cardinal Schonborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Schonborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Schonborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology *Understanding Islam and Christianity* Josh McDowell,Jim Walker,2013-10-01 For years international apologist Josh McDowell has been alert to the challenge of Islam and how Muslims objections to Christianity can raise deep doubts in believers minds His recent on the ground research with Muslims in the Middle East has crystallized into this practical resource focusing on Jesus and the gospel Aided by Islam expert Jim Walker McDowell lays out the evidence on the crucial issues What kind of prophet was Jesus Was he the Messiah Son of God Son of Man What s that about How are God and Jesus related Can they both be God The gospel how could God dishonor his Son by letting him die horribly What good did his death do Aren t the Bible s accounts of Jesus corrupt With all this as well as backgrounder

Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 You're Jewish, aren't you? This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days. Raised by secular Jewish parents, Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage. The two young men vigorously argue with each other over the interpretation of the Hebrew Bible, particularly its reputed predictions of a Messiah. Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth. The rigorous process of self-examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov. The two ultimately become fast friends but as they progress from an academic environment to the professional world, they are challenged by racist statements made by prominent national figures, anti-Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel, and also purported scholars who deny the reality of the Holocaust itself. Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own. Yet when a violent incident brings the three of them together, they are forced to reexamine not just their differences but their similarities. While they clash over the ideals of Zionism and its ramifications in the modern State of Israel, they are united in their horror over the terrorist attacks of September 11, 2001. Join a diverse cast of characters, some of whom appeared in the author's earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish, Christian, or Muslim in the modern world.
