The Final Journey, Part Two Larry D. Horton PhD, 2017-09-21 A sequel to *The Final Journey: A Diary of Survival*, this second book of the trilogy continues the story of a Christian couple who chooses not to succumb to their uncontrolled world, their fractured society and the dangers that are now part of their everyday lives. After a fifteen hundred mile survival journey, the couple finds themselves facing the daunting task of building a new life in a world that now resembles the year 1800 rather than the early twenty-first century. Survival is now not just a short-term task; it is a daily, weekly, monthly and yearly challenge to build a life using their own survival common sense. What would their new world look like? The challenges they face will transform them even more than their completed initial survival journey. If you found yourselves in their shoes, what would you do? Their diary will help you when you possibly face such a world. Will you be up to the challenge? Choose to survive.
