Race Relations In South Africa:

What Racists Believe Gerhard Schutte, 1995 In many democratic societies racial inequality persists despite its legal abolition At the point of entering a democratic era South Africa is dismantling its legally structured system of inequality However the structures of consciousness that gave rise to and nurtured a system of white privilege and predominance are tenacious and enduring In What Racists Believe Gerhard Schutte examines a wide spectrum of evidence showing how the in group consciousness of whites is reproduced and illustrating the processes under which it is maintained He explains how and why people believe in racial inequality and how they transmit these beliefs to others The ideology of white solidarity its perpetuation and its breakdown is also analyzed In the author s analysis he separates different strands of racism rural from urban and moderate from militant A final chapter compares racial attitudes in contemporary America and South America Students scholars and anyone interested in race relations sociology anthropology political science and African studies will surely appreciate the fascinating study found in What Racists Believe A Survey of Race Relations in South Africa South African Institute of Race Relations, 1973 A Survey of Race Relations in South Africa 1972 Muriel Horrell, Dudley Horner, John Kane-Berman, Robin Margo, 2023-11-10 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 *Race Relations in South Africa, 1929-1979* Ellen Hellmann, 1979-01-01 **The Problems of Race Relations in South Africa** John Edward Holloway, 1959 A Survey of Race Relations in South Africa , 1984 A Survey of Race Relations in South Africa, 1951-1952 Muriel Horrell, 1959 **Black Consciousness in South Africa** Robert Fatton Jr., 1986-01-15 Black Consciousness in South Africa provides a new perspective on black politics in South Africa It demonstrates and assesses critically the radical character and aspirations of African resistance to white minority rule Robert Fatton analyzes the development and radicalization of South Africa s Black Consciousness Movement from its inception in the late 1960s to its banning in 1977 He rejects the widely accepted interpretation of the Black Consciousness Movement as an exclusively cultural and racial expression of African resistance to racism Instead Fatton argues that over the course of its existence the Movement developed a revolutionary ideology capable of challenging the cultural and political hegemony of apartheid The Black Consciousness Movement came to be a synthesis of class awareness and black cultural assertiveness It represented the ethico political weapon of an oppressed class struggling to reaffirm its humanity through active participation in the demise of a racist and capitalist system U.S. Relations With South Africa Y. G-m. Lulat, 2019-05-30 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late

seventeenth century to the present Unprecedented in its scope and s *The ANC and the Liberation Struggle in South Africa* Thula Simpson,2018-10-03 The history of the ANC which is the oldest liberation movement on the African continent is one that has generated a great deal of interest amongst historians in recent years Gone are the days when the history of African nationalism could be relegated to the margins of the study of the South African past Instead with the ANC having ascended to the helm of political power a position it has maintained for over twenty years there can be no question that its history occupies an important and permanent place in the history of the nation This volume gathers together some of the most important contributions to the literature on the ANC s role in South Africa s struggle for liberation Besides important themes such as gender ethnicity and healthcare contributions from leading historians also address why the ANC decided to engage in armed struggle what role the South African Communist Party played in making this decision how the ANC External Mission contributed to the upsurge of mass protest in South Africa in the 1970s and 1980s and the ANC s contribution relative to the other components of the liberation struggle in ensuring the eventual demise of the old racial order The chapters in this book were originally published in the South African Historical Journal the Journal of Southern African Studies and African Studies

Deconstructing Apartheid Discourse Aletta J. Norval,1996-04-17 The book thus seeks to trace the construction and contestation of the central axes around which its political frontiers were organized U.S. Relations with South Africa: An Annotated Bibliography Y G-M Lulat,1990-12-31 A comprehensive two volume annotated bibliography of books and monographs journal articles government documents documents of nongovernmental organizations and substantive magazine

and newspaper articles published since the late nineteenth century. Annotated entries contain a short abstract, a table of contents, and information on reviews. Each volume contains an author and subject index, and a periodical is included in Volume Two. Topics covered include US Foreign Policy, Southern Africa in US South African Relations, Nuclear Technology, and Other Sectors of Trade and Economic Relations, Education, Scientific and Cultural Exchanges, African Americans, and South Africa. Divestment, Disinvestment, and Sanctions, Comparative Studies. This two-volume work is part of a larger project that included publication of a nearly 700-page book titled *United States Relations with South Africa: A Critical Overview from the Colonial Period to the Present*, which is a critical overview of relations between the United States and South Africa going nearly as far back as the very beginning of their inception as permanent European colonial intrusions, and it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geopolitical location of South Africa within southern Africa, where the presence of other nations, particularly Angola, Mozambique, Namibia, and Zimbabwe, looms large.

A Survey of Race Relations in South Africa South African Institute of Race Relations, 1951. [Race, Class and the Changing Division of Labour Under Apartheid](#) Owen Crankshaw, 2002-06. As the only comprehensive empirical analysis of the changing racial and occupational structure of the urban workforce in South Africa under apartheid, this study will make an invaluable contribution to our understanding of the complex interrelations of past and present racial inequality and economic development in South Africa.

Pursuing Justice and Peace in South Africa Hendrik W. van der Merwe, 2022-10-05. Originally published in 1989 and written by a long-time peacemaker who commanded respect from most political camps in South Africa, this book advocated constructive intervention in the South African conflict. It showed the growing element of pragmatic flexibility in the white leadership and argued that this more rational approach, combined with moral reform among the white population, promised reasonable prospects for the constructive accommodation of conflict in South Africa. In 1984, the author arranged the first meetings between government supporters and the ANC in exile in Lusaka, breaking a 24-year deadlock and significantly influencing public opinion in South Africa.

Black Political Thought in the Making of South African Democracy C.R.D. Halisi, 1999. A comprehensive analytical survey of the multidimensional evolution of black political thought in South Africa's politicization process. Choice: Many citizens experience a sense of reluctance to share a single national identity with all of those who are defined by law to be their compatriots. This problem can be explained and surmounted, but it cannot be evaded by those who aspire to build a stable democracy in South Africa. Richard L. Sklar, from the Foreword: What will it mean to be a citizen in the new South Africa? This penetrating study analyzes the issues of dual citizenship, black consciousness, populism, racial proletarianization, and their interaction with various political ideologies. Halisi's analysis has practical implications for the development of political identity in the new South Africa.
