## **Race West Boom Town To Ghost Town:**

**The Race West** Robert West Howard, 1962      **The Americans: The National Experience** Daniel J.

Boorstin, 1967-02-12 This second volume in The Americans trilogy deals with the crucial period of American history from the Revolution to the Civil War Here we meet the people who shaped and were shaped by the American experience the versatile New Englanders the Transients and the Boosters Winner of the Francis Parkman Prize      *Death Valley to Deadwood; Kennecott to Cripple Creek* United States. National Park Service. Division of National Register Programs, 1990 Papers address concerns by contractors and agencies in how to survey and nominate properties to the National Register of Historic Places and how to mitigate adverse actions on significant resources management concerns related to historic mining sites on public lands and interpretation and display of mining sites and materials The focus is on the western United States but other parts of the U S and western Canada are covered      **Southwestern Literature and Culture in the English Classroom**

, 1971      **Race and the Wild West** Laura J. Arata, 2020-07-02 Winner of the Western Writers of America SPUR Award and the Western Association of Women Historians Gita Chaudhuri Prize Born a slave in eastern Tennessee Sarah Blair Bickford 1852 1931 made her way while still a teenager to Montana Territory where she settled in the mining boomtown of Virginia City *Race and the Wild West* is the first full length biography of this remarkable woman whose life story affords new insight into race and belonging in the American West around the turn of the twentieth century For many years Sarah Bickford s known biography fit into a single paragraph By examining her life in all its complexity Arata fills in what were long believed to be unrecoverable silent spaces in her story Before establishing herself as a successful business owner we learn she was twice married both times to white men Her first husband an Irish immigrant physically abused her until she divorced him in 1881 Their three children all died before the age of ten In 1883 she married Stephen Bickford and gave birth to four more children Upon his death she inherited his shares of the Virginia City Water Company acquiring sole ownership in 1917 For the final decade of her life Bickford actively preserved and promoted a historic Virginia City building best known as the site of the brutal lynching in 1864 of five men Her conspicuous role in developing an early form of heritage tourism challenges long standing narratives that place white men at the center of the Wild West myth and its promotion Bickford s story offers a window into the dynamics of race in the rural West Although her experiences defy easy categorization what is clear is that her navigation of social norms and racial barriers did not hinge on exceptionalism or tokenism Instead she built a life that deserves to be understood on its own terms Through exhaustive research and nuanced analysis Laura J Arata advances our understanding of a woman whose life embodied the contradictory intersections of hope and disappointment that characterized life in the early twentieth century American West for brave pioneers of many races      **The Vanishing Land** Robert West Howard, 1985      **Ghost Towns of Oklahoma** John Wesley Morris, 1977 Lists 130 ghost towns in alphabetical order and includes descriptions of each      **Ghost Towns & Mining Camps of the Boundary Country** Garnet

Basque,1999 Annotation The lost communities that stretch from the Okanagan to West Kootenay come to life with 150 photographs a dozen maps and entertaining text      *On the Frontier* Richard Hallion,1984      **On the Frontier** Richard P. Hallion,1984      **Arizoniana** ,1963      *The New Dictionary of Cultural Literacy* Eric Donald Hirsch,Joseph F. Kett,James S. Trefil,James Trefil,2002 Provides information on ideas concerning people places ideas and events currently under discussion including gene therapy NAFTA pheromones and Kwanzaa      **Under the Cap of Invisibility** Lucie Genay,2025-05-13 Pantex was built during World War II near the town of Amarillo Texas The site was converted early in the Cold War to assemble nuclear weapons and produce high explosives For nearly fifty years Pantex has been the sole assembly and disassembly plant for nuclear weapons in the United States Today most of the activities of the plant consist of the manufacture of high explosive components and the dismantlement or life extension of weapons including retrofitting aging warheads in the United States arsenal Unlike the much more famous nuclear weapons production sites at Los Alamos Oak Ridge Hanford and Rocky Flats the Pantex plant has drawn little attention hidden under a metaphoric cap of invisibility Lucie Genay now lifts that invisibility cap to give the world its first in depth look at Pantex and the people who have spent their lives as neighbors and employees of this secretive industry The book investigates how Pantex has impacted local identity by molding elements of the past into the guaranty of its future and its concealment It further examines the multiple facets of Pantexism the reasons for embracing nuclear weapons production as a solution to economic woes the resulting dependence on this industry and the unconditional support for the facility through the voices of native and adoptive Panhandlers      **Hold It Real Still** Lawrence P. Jackson,2022-09-20 How did the American western feature film genre rebrand itself in the late seventies and respond to the fury of global and domestic political affairs In *Hold It Real Still* Lawrence Jackson examines Clint Eastwood s influence on the western film while also exploring how that genre continues to operate into the twenty first century as an ideological channel for ideas about race and imperialism Jackson argues that the western genre pivoted from an initial doctrine of racial liberalism albeit a clumsy one during the John Wayne years to a motile agenda of substitution exclusion and false equivalency during the Clint Eastwood period The book traces how Eastwood an actor first associated with the avant garde anti colonialist discourse of spaghetti western cinema reversed himself in the second half of the 1970s with *The Outlaw Josey Wales* a film that had at its heart the fantasy of Black erasure from American life Jackson situates Eastwood s work as a response to massive social and political upheavals in America defeat in Vietnam riots in northern cities the civil rights movement and associated legislation and the Great Migration which made possible a degree of mixed race public interaction that was impossible even as late as the 1960s Hinged by a close reading of four blockbuster films which continue to shape discourses in cinematic arts American liberalism the westerns and race relations today *The Good the Bad and the Ugly* *Josey Wales* *Ride with the Devil* and *Django Unchained* Jackson s unique critique flashes on the contradictory symbolic structures at work in these masterpieces Juxtaposing the films motifs tropes and hidden Black figures with historicist readings lays bare

the containment strategies of the 1970s and beyond used to stymie civil rights progress and racial equity in the United States Tackling the rise of neoracism and the domestic apparatus of surveillance control and erasure *Hold It Real Still* offers an astonishing revision of what audiences and critics thought they understood about a uniquely American genre of film
