Pritchard,2022-10-05 In this new

edition James A Pritchard has added a summary of recent developments in wildlife science and management and discusses historical continuities in the role of Yellowstone Park as a wildlife refuge and conservator **Think Green, Take Action**

Daniel A. Kriesberg, 2010-08-16 This book provides an annotated bibliography of age appropriate literature and activities showing children the importance of environmental issues and teaching them the skills to take action In past years teaching children about conservation and environmental issues might have been an optional side topic to complement an earth science curriculum but in today's educational climate being green is a subject with great relevance and importance This book combines a wide variety of techniques to help students understand environmental issues and gain the skills needed to take action The children's literature and classroom activities suggested in Think Green Take Action Books and Activities for Kids are appropriate for elementary school students from grades three through seven covering three major environmental issues endangered species resource depletion and pollution After students have a grasp of the causes of these environmental problems the final chapter presents ways to take easy action that can create ripples of change across the world Educators in museums and nature centers home schooled children and their parents comprise an appropriate secondary audience for this instructive text **The Power of Pictures**

Beth Olshansky, 2008-04-18 In The Power of Pictures book and companion DVD Beth Olshansky introduces teachers to her innovative art based approach to literacy instruction Widely practiced in classrooms across the country the model has been proven by research to improve literacy achievement with a wide range of learners especially those who struggle with verbal skills At the heart of her approach is the Artists Writers Workshop Through study of quality picture books and hands on art experiences students learn to visualize paint pictures with words and ultimately create their own extraordinary artistic and literary work The book and DVD explain how any teacher can successfully use this process to enable all students particularly low performers to make dramatic gains in both reading and writing *Expect More: Children Can Do Remarkable Things* Anne Grall Reichel, Ed.D., 2010-09-22 This book encourages teachers parents grandparents and volunteers who work with children to expect more It focuses on the skills children will need to compete in a highly competitive global economy From systems thinking to interpreting complex visual images to integrative thinking our children need a whole new skill set For too long science and social studies have been moved to the back burner Ironically these subjects hold great interest and opportunity to investigate concepts in depth We need to bring them to center stage Throughout the book the author provides many concrete examples of ways for teachers and parents to engage children in meaningful conversation and problem solving Somewhere along the way we seem to have stopped challenging children and started enabling them instead Perhaps this is through no fault of our own As teachers and parents we genuinely care about children We feel for them when they are sick when they are bullied or when they are struggling Quite simply it is our nature to protect With the best of intentions we tend to try and eliminate the struggle But the struggle is essential to growth and a personal sense of accomplishment As children work their way through challenges they build the

confidence and habits of mind needed to embrace the next challenge that comes along This book is an invitation to adults to expect more of themselves and of the children they care about The invitation is yours to accept Who on Earth is Rachel Carson? Glenn Scherer,Marty Fletcher,2009-07-01 Details the life of Rachel Carson with chapters devoted to her early years life work ecological writings and legacy as well as how children can follow in her footsteps Provided by publisher
