

What is Racial Discrimination?

Racial discrimination, at its core, means that a job applicant or employee is treated unfavorably because of their race or related characteristics. Related characteristics can include skin color, complexion, hair texture, and physical features, such as the shape of the eyes or nose.

Examples of race discrimination might include:

Not getting hired

Not getting a promotion or raise

Denial of benefits or bonuses

Unfavorable scheduling

Receiving a lower wage than employees of a different race

Receiving increased responsibility at work but not getting a higher job classification or pay raise

Getting a pay cut or reduction in benefits

Exclusion from work-related activities

Isolation

Harassment and stereotyping

Retaliation for speaking out against racial discrimination or harassment in the workplace

Wrongful termination
