Racially Mixed People In America Within Between And Beyond Race

Mark P. Orbe, Tina M. Harris

Racially Mixed People In America Within Between And Beyond Race:

'Mixed Race' Studies Jayne O. Ifekwunigwe, 2015-03-24 Mixed race studies is one of the fastest growing as well as one of the most important and controversial areas in the field of race and ethnic relations Bringing together pioneering and controversial scholarship from both the social and the biological sciences as well as the humanities this reader charts the evolution of debates on race and mixed race from the nineteenth to the twenty first century The book is divided into three main sections tracing the origins miscegenation moral degeneracy and genetics mapping contemporary and foundational discourses mixed race identities politics and celebration debating definitions multiraciality census categories and critiques This collection adds a new dimension to the growing body of literature on the topic and provides a comprehensive history of the origins and directions of mixed race research as an intellectual movement For students of anthropology race and ethnicity it is an invaluable resource for examining the complexities and paradoxes of racial thinking across space time and disciplines

Racially Mixed People in America Maria P. P. Root, 1992-02-03 Recipient of the Gustavus Myers Center for the Study of Human Rights in the United States 1993 Outstanding Book Award America has been the breeding ground of a biracial baby boom for the past 25 years Unfortunately there has been a dearth of information regarding how racially mixed people identify and view themselves and how they relate to one another Racially Mixed People in America steadily bridges this gap and offers a comprehensive look at the social and psychological adjustment of mixed race people models for identity development contemporary immigration and marriage patterns and methodological issues involved in conducting research with mixed race people all in the context of America's mixed race past and present Including contributions by ethnohistorians psychologists and sociologists this powerful volume will provide the reader a tool for examining ideologies surrounding race race relations and the role of social science in the deconstruction of race Racially Mixed People in America is essential reading for researchers and practitioners in cross cultural studies psychology family studies sociology and social work Racially Mixed People in America is not just a feel good affirmation of mixed race people It offers explanations of how possibly the constructed notions of race operate in our society through an examination of mixed race people from the margins of psychological and sociological studies to the center of race relations discourse This perhaps is its greatest contribution Amerasia Journal A compendium of articles on the experiences and identities of racially mixed people it takes a scholarly approach to understanding the issues of racial identity It is a book we highly recommend for an overview of the psychological implications of the personal conflicts inherent in multiracial identity Minority Markets Alert Maria P P Root and her coauthors have performed a service to society in general and to biracial multiracial people and families in particular By dispelling myths and showing the biracial multiracial experience to be a healthy normal one the book will help demolish barriers of fear and ignorance and will hopefully enable all of us to banish the lingering miasma of obsolete concepts Joe Cunningham The Interracial Club Newsletter An especially timely and well documented book Recommended to mental health

professionals who wish to heighten their sensitivity in working with racially mixed people Readings A Journal of Review and Commentary in Mental Health Racially Mixed People in America is an important book effectively presenting a comprehensive multidisciplinary examination by ethnohistorians psychologists and sociologists of America s multiracial past and present

Racially Mixed People in America Maria P. P. Root,1992-02-03 Although America has been experiencing a biracial baby boom for the last 25 years there has been a dearth of information about how racially mixed people identify and view themselves as well as relate to one another Racially Mixed People in America bridges this gap and offers a comprehensive look at all the issues involved in doing research with mixed race people all in the context of America s multiracial past and present **More Than Black** G. Reginald Daniel,2010-06-25 In the United States anyone with even a trace of African American ancestry has been considered black Even as the twenty first century opens a racial hierarchy still prevents people of color including individuals of mixed race from enjoying the same privileges as Euro Americans In this book G Reginald Daniel argues that we are at a cross roads with members of a new multiracial movement pointing the way toward equality Tracing the centuries long evolution of Eurocentrism a concept geared to protecting white racial purity and social privilege Daniel shows how race has been constructed and regulated in the United States The so called one drop rule i e hypodescent obligated individuals to identify as black or white in effect erasing mixed race individuals from the social landscape For most of our history many mixed race individuals of African American descent have attempted to acquire the socioeconomic benefits of being white by forming separate enclaves or passing By the 1990s however interracial marriages became increasingly common and multiracial individuals became increasingly political demanding institutional changes that would recognize the reality of multiple racial backgrounds and challenging white racial privilege More Than Black regards the crumbling of the old racial order as an opportunity for substantially more than an improvement in U S race relations it offers no less than a radical transformation of the nation s racial consciousness and the practice of democracy **Resources in**

Education ,1993-10 *Comparative Theology in the Millennial Classroom* Mara Brecht,Reid B Locklin,2015-12-07 This volume explores the twenty first century classroom as a uniquely intergenerational space of religious disaffiliation and questions about how our work in the classroom can be and is being re imagined for the new generation The culturally hybrid identity of Millennials shapes their engagement with religious others on campus and in the classroom pushing educators of comparative theology to develop new pedagogical strategies that leverage ways of seeing and interacting with their teachers and classmates Reflecting on religious traditions such as Islam Judaism African Traditional Religions Hinduism Christianity and agnosticism atheism this volume theorizes the theological outcomes of current pedagogies and the shifting contours of comparative theological discourse **Race and Multiraciality in Brazil and the United States** G. Reginald

Daniel,2007-07-01 Although both Brazil and the United States inherited European norms that accorded whites privileged status relative to all other racial groups the development of their societies followed different trajectories in defining white

black relations In Brazil pervasive miscegenation and the lack of formal legal barriers to racial equality gave the appearance of its being a racial democracy with a ternary system of classifying people into whites brancos multiracial individuals pardos and blacks pretos supporting the idea that social inequality was primarily associated with differences in class and culture rather than race In the United States by contrast a binary system distinguishing blacks from whites by reference to the one drop rule of African descent produced a more rigid racial hierarchy in which both legal and informal barriers operated to create socioeconomic disadvantages for blacks But in recent decades Reginald Daniel argues in this comparative study changes have taken place in both countries that have put them on converging paths Brazil's black consciousness movement stresses the binary division between brancos and negros to heighten awareness of and mobilize opposition to the real racial discrimination that exists in Brazil while the multiracial identity movement in the U S works to help develop a more fluid sense of racial dynamics that was long felt to be the achievement of Brazil's ternary system Against the historical background of race relations in Brazil and the U S that he traces in Part I of the book including a review of earlier challenges to their respective racial orders Daniel focuses in Part II on analyzing the new racial project on which each country has embarked with attention to all the political possibilities and dangers they involve

[Why Are All the Black Kids Sitting Together in the Cafeteria?](#) Beverly Daniel Tatum, 2003-01-17 The classic bestselling book on the psychology of racism now fully revised and updated Walk into any racially mixed high school and you will see Black White and Latino youth clustered in their own groups Is this self segregation a problem to address or a coping strategy Beverly Daniel Tatum a renowned authority on the psychology of racism argues that straight talk about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides These topics have only become more urgent as the national conversation about race is increasingly acrimonious This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in America An unusually sensitive work about the racial barriers that still divide us in so many areas of life Jonathan Kozol

Mixed Family Life in the UK M. Nakamura Lopez, 2017-09-03 This book offers a nuanced picture of mixed family life in the UK Specifically the book explores how parents from different backgrounds create a place of belonging for their children while also negotiating difference and attempting to transmit various aspects of their cultures including religion hobbies language and food to their mixed children Based on data collected from 26 months of fieldwork the author concludes that the intergenerational transmission of culture instead of being tied to the idea of national culture is actually more organic and fluid allowing individuals to share their cultures from traditions and customs to preferences and habits with the next generation As mixedness increasingly becomes the norm in our global society the book will be of interest to students and scholars of race ethnicity and family studies as well as social workers school teachers counsellors and parents and kin of mixed children

Why Are All the Black Kids Sitting Together in the Cafeteria? Beverly Daniel Tatum, 2017-09-05 The classic New York Times bestselling book on the psychology of racism that shows us how to talk about race in America Walk

into any racially mixed high school and you will see Black White and Latino youth clustered in their own groups Is this self segregation a problem to address or a coping strategy How can we get past our reluctance to discuss racial issues Beverly Daniel Tatum a renowned authority on the psychology of racism argues that straight talk about our racial identities is essential if we are serious about communicating across racial and ethnic divides and pursuing antiracism These topics have only become more urgent as the national conversation about race is increasingly acrimonious This fully revised edition is essential reading for anyone seeking to understand dynamics of race and racial inequality in America

Improving Intercultural Interactions Kenneth Cushner, Richard W. Brislin, 1997-04-21 Develop a unique counseling approach for training clients students and target populations with Improving Intercultural Interactions a pragmatic text that deals with concerns specific to intercultural experiences in counseling Intended as a companion to the first volume by Brislin and Yoshida this new book works from an educational model for counseling and presents training modules that are relevant for varying clusters of circumstances from the world of business to the field of education It builds upon the first book and deals with issues including ethics ethnocultural identification conflict and mediation across cultures as well as empathy and cross cultural communication In addition this practical text is full of exercises activities and self assessment questions that promote growth and cultural awareness By defining culture inclusively and broadly the editors have compiled a unique collection of training modules that will be essential to professionals and researchers in a broad range of fields including clinical counseling psychology educational psychology social work psychology gender studies sociology cultural studies ethnic studies and management

Interracial Communication Mark P. Orbe, Tina M. Harris, 2022-11-11 As the racial and ethnic landscape of the United States shifts interracial communication plays an increasingly crucial role The sociopolitical climate has impacted identities relationships media and organizations challenging the possibility of having transformative engagement about race Power differences affected by race ethnicity class gender sexuality ability age and geography are sometimes invisible Competent interracial communication is key to alleviating polarized interactions and addressing the unequal treatment of microcultures Part I of the book provides essential background including the history of race the importance of communication the development and intersectionality of racial and ethnic identities and models and theories of interracial communication Part II applies this information to communication practices in specific everyday contexts global racial hierarchies and colorism friendships romantic relationships communication in the workplace interracial conflict and race and ethnicity in the media The concluding chapter outlines pathways to meaningful change and invites readers to become active participants in dialogue to facilitate working through differences The authors offer comprehensive readable and insightful coverage of pressing issues They focus on communication as vital to removing barriers to understanding Becoming proactive in eliminating racism on a personal level is a step toward the macrolevel changes required to dismantle systemic racism The fourth edition is a socially relevant resource for facilitating interracial dialogue to create a positive

climate to work together to achieve social justice I'd Just As Soon Kiss a Wookiee Greg Carter, 2025 In a dedicated study of the Star Wars trilogies spanning from 1977 to 2019 Greg Carter contextualizes the popular franchise and its fandom through a critical mixed race studies framework The project primarily examines the five decade Star Wars phenomenon historically since as Carter states the films mirror the dominant beliefs in American society Just as many have assumed the movies lack racial issues some have claimed that the United States has reached a post racial state where racial difference is irrelevant I'd Just As Soon Kiss a Wookiee applies theoretical frameworks posited by Stuart Hall and bell hooks to this analysis of Star Wars as a portrait of post civil rights era race relations in the United States Though the franchise has perpetuated toxicity racism and sexism each of which have roots in longstanding currents of American thinking Carter showcases the perspectives of minority fans intellectuals and performances at a time when many recognize their centrality in the meaning of Americanness With the surplus of spinoffs in the Star Wars franchise Carter limits his study to the three trilogies of the Skywalker Saga In the original trilogy Carter looks at the racial ambiguity present in Darth Vader's cyborg body as well as the whiteness inherent to Princess Leia and the tropes incorporated in her narrative While examining how the prequel trilogy built the Star Wars world the study hones in on the family narrative structure in addition to the actors of color introduced The chapters that focus on the sequel trilogy rely on a variety of minority geek voices to reveal their underappreciated perspectives using these perspectives to understand the fandom ships and the amplified animosity after The Last Jedi 2017 The author conducts this analysis all while asking what is the story of Star Wars especially for those outside of the white cis male audience Critical Issues in Anti-racist Research Methodologies George Jerry Sefa Dei, Gurpreet Singh Johal, 2005 Anti racism studies have blossomed over the years with scholarship and political work reinforcing each other to cement anti racist change But how do we understand anti racist research How is anti racist research methodology different from other methods of research investigation What are the principles of anti racism research This edited collection attempts to provide some answers by bringing together works that examine the perils and desires of anti racist research with a particular focus on the notion of difference and a serious consideration of the race gender class and sexuality intersections implications of educational research **The Politics of Multiracialism** Heather M. Dalmage, 2012-02-01 This is the first book to critically look at the political issues and interests surrounding the broadly defined Multiracial Movement and at what is being said about multiracialism Many of the multiracial family organizations that exist across the United States developed socially ideologically and politically during the conservative Reagan years While members of the Multiracial Movement differ widely in their political views the concept of multiracialism has been taken up by conservative politicians in ways that are often inimical to the interests of traditionally defined minorities Contributors look at the Multiracial Movement's voice and at the political controversies that attend the notion of multiracialism in academic and popular literature internet discourse census debates and discourse by and about pop culture

celebrities The work discusses how multiracialism hybridity and racial mixing have occurred amidst existing academic discussions of authenticity community borders identity politics the social construction of race and postmodern fragmentation How the Multiracial Movement is shaping and transforming collective multiracial identities is also explored **From Black to Biracial** Kathleen Korgen, 1998-02-24 Is a person with both a white and African American parent black Thirty years ago in American society the answer would have been yes Today the answer most likely depends on whom you ask According to the U S Census a person with both a black and a white parent is in fact black However most young persons who fit this description describe themselves as biracial both black and white Most young Americans whatever their racial background agree Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement a transformation has occurred in the racial self definition of Americans with both an African American and a white parent This book describes the transformation and explains why it has occurred and how it has come about Through extensive research and dozens of interviews Korgen describes how the transformation has its roots in the historical and cultural transitions in U S society since the Civil Rights era A ground breaking book From Black to Biracial will help all Americans understand the societal implications of the increasingly multiracial nature of our population From affirmative action to the present controversy over the U S Census 2000 the repercussions of the transformation in racial identity related here affect all race based aspects of our society Students and faculty in sociology and multicultural studies business leaders and general readers alike will benefit from reading this work *Between Black and Brown* Rebecca Romo, G. Reginald Daniel, J. Sterphong, 2024-10 Between Black and Brown begins with a question How do individuals with one African American parent and one Mexican American parent identify racially and ethnically In answer the authors explore the experiences of Blaxicans individuals with African American and Mexican American heritage as they navigate American culture which often clings to monoracial categorizations Part 1 analyzes racial formation and the Blaxican borderlands comparing racial orders in Anglo America and Latin America The Anglo Americanization of Latin North America particularly in the Gulf Coast and Southwest regions shapes Black and Mexican American identities Part 2 delves into Blaxicans lived experiences examining their self identification with pride and resilience The book explores challenges and agency in navigating family school and community dynamics and discusses expectations regarding cultural authenticity It also delves into Black and Brown relations and how situational contexts influence interactions This work contributes to the discourse on multiracial identities and challenges prevailing monoracial norms in academia and society Ultimately Between Black and Brown advocates for a more inclusive and nuanced understanding of identity race and culture Developing an Intercultural Responsive Leadership Style for Faculty and Administrators Spicer-Runnels, Ashley D., Simpson, Teresa E., 2020-06-26 College student populations are becoming increasingly more diverse as students from diverse backgrounds have greater access to higher education Additionally governing bodies have heightened expectations related to student success retention and time to degree thus holding

institutions of higher education more accountable With a changing student demographic and increased accountability measures faculty and administrators are seeking effective strategies to enhance intercultural responsiveness among underrepresented populations to support their success Developing an Intercultural Responsive Leadership Style for Faculty and Administrators is a critical research publication that examines student retention and success among underrepresented college student populations by analyzing factors impacting their persistence towards graduation as well as exploring strategies to enhance intercultural responsiveness among these populations Featuring a wide range of topics such as diversity intercultural fluency STEM education and lifelong learning this book is ideal for administrators faculty academicians policymakers researchers and students High School to College Transition Research Studies Terence Hicks,Chance W. Lewis,2015-05-12 High School to College Transition Research Studies offers two uniquely designed sections that provide a mixture of quantitative and qualitative research findings surrounding a diverse group of college students This groundbreaking book by Terence Hicks and Chance W Lewis provides the reader with valuable findings on topics such as student faculty interactions academic social integration and college preparation **Freud Upside Down** Badia Sahar Ahad,2010-10-07 This thought provoking cultural history explores how psychoanalytic theories shaped the works of important African American literary figures Badia Sahar Ahad details how Nella Larsen Richard Wright Jean Toomer Ralph Ellison Adrienne Kennedy and Danzy Senna employed psychoanalytic terms and conceptual models to challenge notions of race and racism in twentieth century America Freud Upside Down explores the relationship between these authors and intellectuals and the psychoanalytic movement emerging in the United States over the course of the twentieth century Examining how psychoanalysis has functioned as a cultural phenomenon within African American literary intellectual communities since the 1920s Ahad lays out the historiography of the intersections between African American literature and psychoanalysis and considers the creative approaches of African American writers to psychological thought in their work and their personal lives
