Racism Or Attitude The Ongoing Struggle For Black Liberation And Self Esteem:

Self-Esteem Ian Miller, 2024-02-07 By the end of the twentieth century the idea of self esteem had become enormously influential A staggering amount of psychological research and self help literature was being published and before long devoured by readers Self esteem initiatives permeated American schools Self esteem became the way of understanding ourselves our personalities our interactions with others Nowadays however few people think much about the concept of self esteem but perhaps we should Self Esteem An American History is the first historical study to explore the emotional politics of self esteem in modern America Written with verve and insight Ian Miller s expert analysis looks at the critiques of self help that accuse it of propping up conservative agendas by encouraging us to look solely inside ourselves to resolve life s problems At the same time he reveals how African American LGBTQ and feminist activists have endeavored to build positive collective identities based on self esteem pride and self respect This revelatory book will be essential reading for anyone with an interest in the history of mental health and well being and in how the politics of self esteem is played out in today s US society and culture

Black Conservative Intellectuals in Modern America Michael Ondaatje, 2010 Chronicles the origins of black conservatism in the United States focusing on three significant policy issues and engages with the ideas of influential black conservatives including Thomas Sowell Shelby Steele and Clarence Thomas

The Psychological Legacy of Slavery Benjamin P. Bowser, Aimé Charles-Nicolas, 2021-04-09 This collection of essays surveys the practices behaviors and beliefs that developed during slavery in the Western Hemisphere and the lingering psychological consequences that continue to impact the descendants of enslaved Africans today The psychological legacies of slavery highlighted in this volume were found independently in Brazil the U S Belize Jamaica Colombia Haiti and Martinique They are color prejudice self and community disdain denial of trauma black on black violence survival crime child beating underlying African spirituality and use of music and dance as community psychotherapy The effects on descendants of slave owners include a belief in white supremacy dehumanization of self and others gun violence and more Essays also offer solutions for dealing with this vast psychological legacy Knowledge of the continuing effects of slavery has been used in psychotherapy family and group counseling of African slave descendants Progress in resolving these legacies has been made as well using psychohistory forensic psychiatry family social histories and community mental health This knowledge is crucial to eventual reconciliation and resolution of the continuing legacies of slavery and the slave trade

Understanding Cultural Identity in Intervention and Assessment Richard H. Dana, 1998 Why is it so difficult to provide quality mental health care for multicultural populations How can quality care be achieved Understanding Cultural Identity in Intervention and Assessment centers on this dilemma This text for multicultural courses in counseling psychotherapy clinical psychology and social work begins with a description of the existing societal context for mental health services in the United States and the limitations of available services for multicultural populations It documents the cultural competence a practitioner needs to provide adequate

credible and potentially beneficial services to diverse clientele It presents a model for effective culture specific services that emphasizes the description and understanding of cultural racial identity and the use of this information to develop cultural formulations to increase the accuracy of diagnoses To provide examples of this model the author devotes four chapters to a discussion of mental health services for a variety of domestic groups African Americans American Indians Alaska Natives Asian Americans and Hispanic Americans A valuable supplement to a variety of courses Understanding Cultural Identity in Intervention and Assessment will enhance students understanding of multicultural mental health issues in fields such as clinical counseling psychology multicultural psychology educational psychology social work health services and ethnic studies

Black and Right J. G. Conti, Stan Faryna, Brad Stetson, 1997-04-22 Black conservatism is no oxymoron Recent polls have indicated that an increasing number of black Americans identified themselves as conservatives favoring smaller government lower taxes tougher crime laws welfare reform and personal initiative While applauding the moral and legal victories of the Civil Rights Movement the conservative spokespeople in this dynamic new collection reject the claims of inequities and what they consider to be the self serving agenda of the present civil rights establishment National leaders such as Justice Clarence Thomas and former Representative Gary Franks and writers such as Shelby Steele and Glenn Loury appear either as contributors or as subjects in this volume They emphasize the grassroots aspects of black conservatism with a reliance on common sense and common humanity The strength of the black conservative voice lies in the growth of its numbers and social influence As more African Americans shift to the right and embrace conservative ideology they are signalling what may be one of the most politically significant trends in American public life as the 20th century draws to a close This provocative collection of essays shatters the myth that black Americans are uniformly left of center and that conservatism is an ideology with a white face Unique in its personal and political portrait of black conservatives in America this book shows the remarkable diversity of ideas from one of the most talked about political movements to emerge in recent years

Racism Or Attitude? James L. Robinson, 1995-03-21 Are there specific reasons for the prevalence of dysfunction in the African American community

Consultation Skills for Mental Health Professionals Richard W. Sears, John Rudisill, Carrie Mason-Sears, 2012-06-26 Consultation interventions are an increasingly popular alternative to clinical practice allowing the practitioner to interact with and affect many different individuals and organizations This type of work challenges mental health professionals drawing on all the skills and resources they may possess yet also offers some of the greatest rewards and opportunities for service Filled with numerous case examples and checklists Consultation Skills for Mental Health Professionals contains a wealth of information on this important area of practice It provides a comprehensive source for working with a diverse clientele in a variety of settings discussing both traditional mental health consultation models and the fast growing field of organizational consulting The guide is divided into four parts Individual Level Consulting Issues takes up individual career assessment and counseling along with how organizational contexts affect individual jobs
