### **Scuse Me While I Kiss This Guy 2006 Calendar:**

Dick Gibson, 2006-06-01 1969 is coming to a close Rob Grant begins to suspect that his year long romance with Luisa is also nearing an end If his instincts are right it would mean that his search for an enduring relationship and a surrogate mother for his two teenage sons would continue Twice divorced it doesn't help that he's very cautious when it comes to making another long term commitment Then late in December it's by sheer chance that Rob meets a former sweetheart while they're both on business trips to Australia Their love affair is reborn and it offers him the prospect of a bright future with a dear lovable woman His boys remember her well and they share his hopes Unfortunately the path ahead is anything but smooth His younger son Greg gets into drugs once again and then a life threatening health issue arises Adding to his misery Rob also faces the possibility that his Wall Street company may downsize and that his management job could be eliminated But in the background is Kim Rossi a new woman in his life She becomes a valued friend who generously offers Rob her support and eventually her love to this man whose strength is tested by the trials that confront him
