*The SEA
Brings
Forth*

A nature book about an adventurous
commercial enterprise—collecting exotic
sea creatures from the shore
and the deeps for scientific use

by *Jack Rudloe*

*As a naturalist, Jack Rudloe was a successful
businessman. He had the first scientific
nature book ever published by a private
publisher, the volume is now being published in paperback.
He is currently working on the second volume, and has joined a
department of the Smithsonian Institution with this book.
Mr. Rudloe was born in New York and educated in biology at Florida
State University, although his biography is short, his attainments are
great. He has a well known in research laboratories and
has the last of his life's work in the country, where his
collection of marine life, which includes a wide variety of
marine animals, will be available to research. Mr. Rudloe lives in
Hawaii, and his collection of marine life is the largest and most
complete in the world. He is a member of the International
Marine Biological Association.*
