Charlie Chaplin, Director Donna Kornhaber,2014-03-05 Charlie Chaplin was one of the cinema s consummate comic performers yet he has long been criticized as a lackluster film director In this groundbreaking work the first to analyze Chaplin s directorial style Donna Kornhaber radically recasts his status as a filmmaker Spanning Chaplin s career Kornhaber discovers a sophisticated Chaplinesque visual style that draws from early cinema and slapstick and stands markedly apart from later classical stylistic conventions His is a manner of filmmaking that values space over time and simultaneity over sequence crafting narrative and meaning through careful arrangement within the frame rather than cuts between frames Opening up aesthetic possibilities beyond the typical boundaries of the classical Hollywood film Chaplin s filmmaking would profoundly influence directors from Fellini to Truffaut To view Chaplin seriously as a director is to re understand him as an artist and to reconsider the nature and breadth of his legacy

Golden Age Detective Stories (An American Mystery Classic) Otto Penzler,2021-07-06 The greatest detectives of the Golden Age investigate the most puzzling crimes of the era Sometimes the police aren t the best suited to solve a crime Depending on the case you may find that a retired magician a schoolteacher a Broadway producer or a nun have the necessary skills to suss out a killer Or in other cases a blind veteran or a publisher or a hard drinking attorney or a mostly sober attorney or indeed any sort of detective you could think of might be able to best the professionals when it comes to comprehending strange and puzzling murders At least that s what the authors from the Golden Age of American mystery fiction would have you think For decades in the middle of the twentieth century the country s best selling authors produced delightful tales in which all types of eccentrics used rarified knowledge to interpret confounding clues And for even longer in the decades that have followed

these characters have continued to entertain new audiences with every new generation that discovers them Edgar Award winning anthologist Otto Penzler selects some of the greatest American short stories from era With authors including Ellery Queen Mary Roberts Rinehart Cornell Woolrich Erle Stanley Gardner and Anthony Boucher this collection is a treat for those who know and love this celebrated period in literary history and a great introduction to its best writers for the uninitiated Includes discussion guide questions for use in book clubs *The Great Merlini* Clayton Rawson,2012-05-22 Stories from the Edgar Award winning author of the famous locked room mystery *Death of a Top Hat* a cornerstone of detective fiction The New York Times The Great Merlini waits impatiently at the door of the Hotel Astor Inspector Church is late for his meeting with the famed magician with whom he consults when homicide cases venture outside the realm of the possible A ventriloquist has attempted suicide in the wake of his wife s mysterious strangulation Among the suspects are a snake charmer a nine foot giant a tattooed man and a gaggle of crap players and this is one of Merlini s simple cases He will pick out the killer with no more effort than he might a rabbit in a top hat In these twelve short stories all originally published in Ellery Queen Mystery Magazine cofounder of Mystery Writers of America and Special Edgar Award winner Clayton Rawson s greatest detective confronts puzzles that would leave a lesser magician s head spinning From vanishing blackmailers to murderous mediums no cosmic crime can baffle the Great Merlini **Microcosmic God** Theodore Sturgeon,1999 In addition to the title story which was voted one of the five greatest SF stories of all time this collection includes such Theodore Sturgeon classics as *Cargo* and *Yesterday Was Monday* Death of Jezebel Christianna Brand,2023-08-01 Laced with Brand s caustic wit this one is a true puzzler with a harrowing revelatory climax Booklist Starred Review At Elysian Hall a grand exhibition space in post War London a cast has been assembled for a medieval themed pageant show featuring knights in colored armor real horses and a damsel in a rickety tower on high With death threats discovered by members of the troupe before the show the worst comes to pass when the leading lady is thrown from the tower before the eyes of the audience by an unknown assailant with all doors backstage also under observation Faced with a seemingly impossible case the wizened Inspector Cockrill and the fresh faced Inspector Charlesworth begrudgingly join forces to uncover the killer hiding in plain sight First published in Britain in 1949 Brand s exuberant novel is still regarded as one of the great masterpieces of the classic mystery genre for its fiendishly constructed puzzle memorable setting dumbfounding acts of misdirection and thrilling denouement This edition includes an introduction by award winning author Martin Edwards *The Science Fiction Hall of Fame, Volume One 1929-1964* Robert Silverberg,2005-02 Presents a collection of eleven science fiction novellas representing the work of major authors in the field including Poul Anderson Robert A Heinlein and H G Wells *Ghost Stories and Mysteries* Joseph Sheridan Le Fanu,1975-01-01 Remaining supernatural fiction by writer many consider greatest ghost story writer of all time Mystery stories are equally memorable The Griffith Project, Volume 3 Paolo Cherchi Usai,2019-07-25 No other silent film director has been so extensively studied as D W Griffith However only a

small group of his more than 500 films has been the subject of a systematic analysis and the vast majority of his other works stills await proper examination For the first time in film studies the complete creative output of Griffith from Professional Jealousy 1907 to The Struggle 1931 will be explored in this multi volume collection of contributions from an international team of leading scholars in the field Created as a companion to the on going retrospective held by the Pordenone Silent Film Festival The Griffith Project is an indispensable guide to the work of a crucial figure in the arts of the nineteenth century
