Healing Hearts Kathy Shelton, 2014-02-03 Healing Hearts A Journey in the Midst of Spiritual Adversity is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Sheltons life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she

could then help others It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ Healing Hearts is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry Our spiritual growth is often blocked by unhealed emotional and spiritual wounds Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God Spiritual maturity is a process It is not something that occurs automatically the moment after we ask Jesus into our lives Oh if it were just that simple In James 1 4 we are instructed to become mature and complete not lacking anything We must pursue spiritual maturity

DETERMINED MEANS: Going From Victim to Victor! Carol Bright, 2010-02-27 *Determined Means* Going from Victim to Victor speaks about demeaning and abusive behaviors in all environments and in all walks of life as it relates to all types of abuse This book addresses the habits and mindsets of the victim as well as the characteristics and habits of the abuser In outlining the process of healing the mindset and determination of the victim to survive and be successful through practicing safe measures and God's Word are emphasized along with what in our nature causes us to sin This book instructs us as individuals how to endure trauma and embrace healing and safety measures As with any victim they realize it becomes increasingly more difficult to trust others and hold on to sanity during times of great suffering pain and abuse We begin to doubt our self worth allow others to dictate everything to us value other people's opinion over our own These are just a few of the issues we wrestle with daily in the complexity of abuse I struggled with all of these issues most of my life One human being should never have control over another especially in unhealthy ways This book distinguishes the difference between healthy and unhealthy relationships habits and boundaries

and why we need to put them into place These are the most significant barriers to healthy relationships and without them often give the perpetrator mixed signals We can do all we can and still experience tragedy As you read this book and learn the Psychology of our existence and creation you will understand the need for this real life safety net pertinent to your life as a whole

Free Us from Bullying Paul T. Coughlin, 2018-08-14 Much of what we believe about bullying isn't true An estimated twenty million oppressed children need our help today A critical mission field awaiting Christians is to combat bullying and proclaim liberty to wounded children To counter bullying we must first understand some common misconceptions It is not necessarily true that bullies have low self esteem and come from abusive homes It is not true that kids who aren't bullied are indifferent to those who are Bullying is not a school problem and teachers are not the frontline defense Children who are bullied do not become stronger adults Bullies cannot be stopped merely with more compassion and understanding In fact bullying stems from the same roots as racism sexual harassment and even genocide and it requires people to combat it in similar ways that they combat other forms of oppression and injustice We often think of combating injustice overseas but we can combat a very real and dangerous injustice in our own neighborhoods After more than a decade of working with tens of thousands of students teachers parents and pastors Coughlin knows that bullying represents the worst in human nature but combating it promotes the best Kindness and awareness two buzzwords in today's anti bullying movement will not end bullying on their own They must be activated by courage transforming bystanders into righteous loving protectors of targets When we join this mission of love and justice we will become peacemakers who are blessed and called children of God Matt 5:9
