Searching for Shapes M. C. Leeka, 1991 **Finders Keepers** Guy Goes, 2015-04-13 Sailing the oceans is becoming increasingly more hazardous Pirates get away with murder and blackmail with increasing success The villains made a mistake with the skipper of yacht Adios and his resourceful crew The couple refused to submit and fought back tooth and nail The battle to survive raged on even when they thought they were safely back home New people entered the fray seeking revenge and claim the spoils they wanted Respect for life and compassion are alien notions to pirates They are driven by greed and determination to enrich themselves at the cost of others The main characters are sexy intelligent persons finding their own elegant way to deal with the trauma inflicted on them by their ruthless adversaries They never gave up but there was a price to pay as always Bowker's Complete Video Directory ,2000 Catalog of Copyright Entries Library of Congress.
