Seaside Treasures:

Seaside Treasures Sarah Grindler, 2019-03-18 What can you find at the beach Seashells rocks bits of seaweed But look closer and you can find so many other seaside treasures **Don't Look Now** Stacy Claflin, 2022-08-27 When you're the son of an infamous serial killer the police will always see you as a suspect Ariana and Damon thought it was bad enough that their home burned to the ground But when bodies are unearthed on their property the police pin them as suspects and their world turns upside down Damon has always been haunted by his father's past but more than ever before being Cal Jones's son is an even bigger burden to bear Worse yet his wife is getting dragged through the mud along with him Can Damon prove their innocence or will his father's legacy finally destroy everything Damon and Ariana have worked so hard to build

Sweet Reunion Stacy Claflin, 2018-06-04 She's determined to stay single but everyone else is determined to see her married Maggie Kendrick is trying to start over in the enchanting beach town where she spent her summers growing up Life has thrown her one too many wrenches and now she's resolved to move on without a man Aunt Lucille has made it her life's mission to see Maggie walk down the aisle Everyone knows it too as Lucille has tried to set Maggie up with every available bachelor in Indigo Bay Canyon Leblanc was Maggie's first love and he just returned to town Sparks start flying again stronger than ever Distance has definitely made their hearts grow fonder but Canyon has spent the last seven years living a wild and destructive lifestyle and that reputation labels him a less than desirable catch Maggie and Canyon see past each other's situations but nobody in town wants them to get together least of all Aunt Lucille Friends family and even an enemy work hard to keep them apart Will Maggie open her heart to love again despite the many obstacles or will the single life prove to be her best option Sweet Dreams Stacy Claflin, 2017-05-16 Ever since her twin became a singing sensation Sky Hampton has struggled to be appreciated for who she is apart from her sister She wards off Aspen's fans who beg for autographs and selfies everywhere Sky goes She can't even find a guy who likes her for her Sky flees to the small coastal town of Indigo Bay in hopes of blending in and building her blossoming career Jace Fisher is the textbook definition of the strong silent type nobody can break through his tough exterior He has suffered more than his fair share of tragedies and to protect his shattered heart he pushes everyone away Jace spends his days fixing the Indigo Bay cottages and his nights nobody really knows He keeps to himself When Jace shows up to fix Sky's AC he barely notices her and she's distracted with settling in It takes an emergency situation to get them talking and when they do the two find they have more in common than first appeared As their attraction grows defenses soar Will they be able to risk love when they've both been burned in the past This is the second book in the Indigo Bay Sweet Romance series a story world created by seven fabulous authors as well as a spinoff from Stacy Claflin's Hunters series This sweet romance is a standalone and can be read on its own Read Sweet Dreams to satisfy your craving for a heartwarming romance **Eelgrass** Joseph A. Porter, 1977 Eelgrass Joe Ashby Porter's first novel takes place on an unnamed island somewhere just offshore the Atlantic coast of our imaginations The ingredients

of this wonder full story blend together as effortlessly as the cocoa and marijuana in the Alice B Toklas brownies baked repeatedly by Daisy owner of the old farmhouse that serves as a summer commune for herself and her guests practical Annabel guitar playing Jimbo puppylike Thuggy and Carter the golden boy Add to the five young people two beautiful fay pushers who live in the woods and keep the whole island well supplied with a cornucopia of uppers downers hallucinogens coke and hash one wiry widow of a sea captain the oldest resident on the island who saves inept sailors like Thuggy and Jimbo from themselves one misanthropic musician who wants to steal Daisy s farmhouse one frantic capitalist his wife and two little girls who have a talent for stumbling in on adult activity and one carnivorous were creature who lives on the island unknown to all the others The result is a dreamy midsummer madness that is at once wistful and hilarious suspenseful and touchingly innocent for here greed ambition violence the confrontations of real life exist but have lost all power to harm The narrative is simple direct lyrical it produces a powerful nostalgia for what was hoped for in those days before the greening of America withered in the bud Author Porter comments I began the novel in 1970 and very quickly it was clear to me that the book would be in part an envoi to the preceding decade There are kinds and kinds of dreams Eelgrass is meant to delight and be accessible it is meant to be sunny and give comfort and hope to as many people as possible It is meant to let them smile remembering it like a vision of innocence
