and Snatch have other ideas The map on the endpapers helped children find their way around the village and went on to appear in every single title in the Fern Hollow series Children really loved the map and enjoyed pointing out where all their favourite Fern Hollow Characters lived and all the stories took place Naturally we have retained the map in this new collection These stories of animal folk have an enduring charm A generation of people who had the Fern Hollow stories read to them as children have now grown up and are buying the books to read with their own children nieces and nephews Parents who shared the books with their children back in the 1980s and 1990s are now enjoying them all over again with their grandchildren Further collections are planned to incorporate all the original titles Bookbird ,1981 **Autumn** John Patience, The animal residents of Fern Hollow busily prepare for the winter months West's Federal Supplement ,2001 Cases decided in the United States district courts United States Court of International Trade and rulings of the Judicial Panel on Multidistrict Litigation **The Book of the Seasons, Or The Calender of Nature** William Howitt,1839 **Something about the Author** Kevin Hile,1997 Contains biographical information and critical essays concerning the works of over 100 authors and illustrators of children s works **Seasons of Forgetting** Jeanne Howard,Jeanne Smith,2006-04 Young coed Joanna Ransome is introduced to handsome married professor Jared Fowler This seemingly insignificant event changes the course of her life Defying the conventions of their time they are powerless to break their connection until one takes a step with tragic consequences Seasons of Forgetting chronicles their tumultuous relationship through four decades It is the story of two people who should never have fallen in love **The Satin Dress and Other Stories** ,1874 Bulletin ,1957 **Tony's Neighbour.
