down into three distinctive strains The American Tale Folk Tall and Weird Stories that might be considered fables or legends much like the epics of the Age of Heroes from the classical eras of Rome and Greece or the tales of the fairy folk from the European tradition or the fables of Aesop Fantastic Americana Stories set directly within the American historic landscape much as the Arthurian tradition is set within the confines of British history Lands of Enchantment in Everyday Life Stories that involve what might be called the American spirit focusing on worlds that exist in the shadows of our own just beyond Rod Serling's famous signpost for The Twilight Zone **The Faith of Fifty Million** Christopher Hodge Evans, William R.
