The Super Summary of World History Revised Alan Dale Daniel BA MBA JD,2008-10-20 The Super Summary of World History is a very compact history of the world emphasizing western culture and political processes The Super Summary is for the thinking person This new history raises exciting questions and puts events into new perspectives to stimulate real thinking about history rather than accepting that the past is set in stone History isn t just names and dates but a range of decisions and actions that often turn on the smallest circumstance The Super Summary analyzes a few events in depth but most are put into their historical framework so the reader can discern where and how all of this action escorts us to the present day If

history seems dull pick up The Super Summary to discover that Western History is alive with controversy and consequence

The Long View Richard Fisher,2023-03-30 A wide ranging and thought provoking exploration of the importance of long term thinking Humans are unique in our ability to understand time able to comprehend the past and future like no other species Yet modern day technology and capitalism have supercharged our short termist tendencies and trapped us in the present at the mercy of reactive politics quarterly business targets and 24 hour news cycles It wasn't always so In medieval times craftsmen worked on cathedrals that would be unfinished in their lifetime Indigenous leaders fostered intergenerational reciprocity And in the early twentieth century writers dreamed of worlds thousands of years hence Now as we face long term challenges on an unprecedented scale how do we recapture that far sighted vision Richard Fisher takes us from the boardrooms of Japan home to some of the world's oldest businesses to European laboratories where scientists work as custodians on centuries long experiments He examines the psychological biases that discourage the long view and talks to the growing number of people from the worlds of philosophy technology science and the arts who are exploring smart ways to overcome them How can we learn to widen our perception of time and honour our obligations to the lives of those not yet born

A New History of British Documentary J. Longer Views Samuel R. Delany,2016-03-15 Six essays from the critic and award winning author exploring topics such as theater LGBTQ scholarship cyborgs metaphors and Star Wars Reading is a many layered process like writing observes Samuel R Delany a Nebula and Hugo Award winning author and a major commentator on American literature and culture In this collection of six extended essays Delany challenges what he calls the hard edged boundaries of meaning by going beyond the customary limits of the genre in which he's writing By radically reworking the essay form Delany can explore and express the many layers of his thinking about the nature of art the workings of language and the injustices and ironies of social political and sexual marginalization Thus Delany connects in sometimes unexpected ways topics as diverse as the origins of modern theater the context of lesbian and gay scholarship the theories of cyborgs how metaphors mean and the narrative structures in the Star Wars trilogy Over the course of his career Kenneth James writes in his extensive introduction Delany has again and again thrown into question the world models that all too many of us unknowingly live by Indeed Delany challenges an impressive list of world models here including High and Low Art sanity and madness mathematical logic and the mechanics of mythmaking the distribution of wealth in our society and the limitations of our sexual vocabulary Also included are two essays that illustrate Delany's unique chrestomathic technique the grouping of textual fragments whose associative interrelationships a reader must actively trace to read them as a resonant argument Whether writing about Wagner or Hart Crane Foucault or Robert Mapplethorpe Delany combines a fierce and often piercing

vision with a powerful honesty that beckons us to share in the perspective of these Longer Views An intellectually adventurous book Every page of every essay here rewards a second reading and a third Delany has a fearsomely stocked intellect and a wider range of experience than most writers can even imagine He is brilliant driven prolific The Nation One of science fiction s grand masters Delany s elegant command of language and deep insight into other authors works are delightful to behold Booklist Rare personal frankness and stunning erudition Recommended for readers who enjoy the challenge of being led into remote regions of a gifted mind Library Journal

Rethinking Religion and Politics in a Plural World Julia Berger, 2021-01-14 In this book Julia Berger examines internal meaning making structures and processes driving NGO behavior identifying constructs from within a religious tradition that forge new ways of pursuing social change She evaluates the operation of a distinct rationality arguing that action is guided not simply by beliefs and values but also by a combination of elements so intrinsic as to constitute an organizational DNA These hidden structures and rationalities manifest themselves in new modes of engagement and agency they help us to see the pivotal role of religion in shaping notions of peace progress and modernity To demonstrate the operation and salience of such a rationality Berger draws on the example of the worldwide Baha i community Emerging in 19th century Iran the community s theological engagement with questions of justice the unity of humankind and the emerging global order constitute one of the most distinct and compelling yet least researched examples of religious engagement with the pressing questions of our time Analyzing events spanning a 75 year period from 1945 2020 this book provides a unique historical and contemporary perspective on the evolving role of religion and civil society in the modern world

The Challenge of World Theatre History Steve Tillis, 2020-09-19 The future of theatre history studies requires consideration of theatre as a global phenomenon The Challenge of World Theatre History offers the first full scale argument for abandoning an obsolete and parochial Eurocentric approach to theatre history in favor of a more global perspective This book exposes the fallacies that reinforce the conventional approach and defends the global perspective against possible objections It moves beyond the conventional nation based geography of theatre in favor of a regional geography and develops a new way to demarcate the periods of theatre history Finally the book outlines a history that recognizes the often connected developments in theatre across Eurasia and around the world It makes the case that world theatre history is necessary not only for itself but for the powerful comparative and contextual insights it offers to all theatre scholars and students whatever their special areas of interest

Military Situation in the Far East United States. Congress. Senate. Committee on Armed Services, 1951 *David Mitchell's Post-Secular World* Rose Harris-Birtill, 2019-01-10 Since the publication of *Ghostwritten* 1999 David Mitchell has rapidly established himself as one of the most inventive and important British novelists of the 21st century In this landmark study Rose Harris Birtill reveals the extent to which Mitchell has created an interconnected fictional world across the full run

of his writing Covering Mitchell's complete fictions from bestselling novels such as *Cloud Atlas* 2004 *The Bone Clocks* 2014 and *number9dream* 2001 to his short stories and his libretti for the operas *Sunken Garden* and *Wake* this book examines how Buddhist influences inform the ethical worldview that permeates his writing Using a comparative theoretical model drawn from the Tibetan mandala to map Mitchell's fictional world Harris Birtill positions Mitchell as central to a new generation of post secular writers who re-examine the vital role of belief in galvanizing action amidst contemporary ecological political and humanitarian crises David Mitchell's *Post Secular World* features two substantial new interviews with the author a chronology of his fictions and a selected bibliography of important critical writings on his work *The World Bank* Devesh Kapur, John P. Lewis, Richard C. Webb, 2010-12-01 This effort constitutes the most comprehensive and authoritative work to date on the history of the International Bank for Reconstruction and Development or the World Bank Author editors John Lewis Richard Webb and Devesh Kapur chronicle the evolution of this institution and offer insights into its successes failures and prospects for the future The result of their intense labors is an invaluable resource for other researchers and a fascinating study in its own right The work is divided into two volumes The first is organized thematically and examines the critical events and policy issues in the World Bank's development over the last fifty years Chapter topics include poverty alleviation structural adjustment lending environmental programs the International Finance Corporation IFC the International Development Association IDA and the evolution of the Bank as an institution The second volume contains case studies written by experts with experience in the various regions in which the Bank operates There are chapters on the Bank's activities in Korea Mexico Africa South Asia and Eastern Europe Volume 2 also contains essays on the World Bank's relationship with the United States Japan and Western Europe and its partnership with the International Monetary Fund IMF By special arrangement the authors have had wide ranging access to confidential documents at the World Bank making this work a unique source of information on the internal workings of this critical institution They have also drawn on extensive interviews with current and past Bank officials Moreover publication could not be more timely coming as it does when many in the development community and in the U S Congress are questioning the Bank's track record and even its reason for existence *The World Bank Its First Half Century* will be of great interest not only to development practitioners but also to students of international relations development economics and global finance During the course of the project John P Lewis and Richard Webb were nonresident senior fellows and Devesh Kapur was a program associate in the Foreign Policy Studies program at the Brookings Institution [Contesting and Constructing International Perspectives in Global Education](#) R. Reynolds, D. Bradbery, J. Brown, K. Carroll, D. Donnelly, K. Ferguson-Patrick, S. Macqueen, 2015-02-27 This volume addresses the need for an international perspective on global education and provides alternate voices to the theme of global education The editors asked international educators in different contexts to indicate how their own experience of global education addresses the broad and contested concepts associated with this notion Following the lead of the internationally

acknowledged authors from North America Europe Africa Australia and Asia perspectives were provided on a wide variety of contexts including tertiary education and teacher education various pedagogies for global education including digital pedagogies and curriculum development at school tertiary and community levels Contesting and Constructing International Perspectives in Global Education explores the tensions inherent in discussions of global education from a number of facets including spatial pedagogical temporal social and cultural and provides critical descriptive and values laden interpretations The book is divided into five sections Temporal and Spatial Views of Global Education Telling National Stories of Global Education Empowering Citizens for Global Education Deconstructing Global Education and Transforming Curricula for Global Education It is envisaged as a starting point for a stronger international conception of global education and a way to build a conversation for the future of global education in a neo liberal and less internationally confident time
