A COMBAT DOCTOR'S DIARY

Klaus H. Huebner

# Long Walk Through War A Combat Doctors Diary

**Edward C. Arn**

## **Long Walk Through War A Combat Doctors Diary:**

**Long Walk Through War** Klaus H. Huebner, 1987 The 344 days of combat of the 88th Infantry Division were part of the bitterly contested struggle for supremacy in Italy during the Second World War Here is the gripping story of the first selective service division committed to battle in the European Theater seen from the unique vantage point of a battalion physician Using notes hastily scribbled on the backs of maps and finished out whenever he was rotated to rear areas for rest Dr Klaus Huebner captured in his diary the frustration fear boredom devotion and anger that were the daily portion of combat infantrymen The result is a remarkably sustained exposition of combat life Dr Huebner traces the 88th s activities from final staging preparations at Fort Sam Houston to North Africa and on up the Italian peninsula to the Brenner Pass in Austria just fifty five miles south of the Bavarian hamlet where he was born Combat began for the Division just north of Naples Italy During combat the medical aid station was set up in any available farmhouse barn cave or clump of trees that offered some protection for treating the wounded There the battalion surgeon and his aides did what they could under adverse circumstances gave by their presence alone moral support to the casualties and came to know well the miseries emotions and human drama of infantry soldiers in combat Dr Huebner writes I walked with the men who carried guns and slugged it out on foot I treated the wounded where they fell His story is terse and often tense a memorable view of battle and the men who tried to heal its wounds right in the field

**American Soldiers** Peter S. Kindsvatter, 2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in

the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors

**Forgotten Battles** Charles T. O'Reilly, 2001-01-01 Italy s War of Liberation takes issue with the apparently prevalent attitude among Allied commanders during World War II that the Italian military was ineffective O Reilly recounts the little known story of the significant contribution made by the Italian military during the Italian Campaign including the contribution of relatively unacknowledged Italian Partisan formations that fought in Italy France Yugoslavia and Greece Despite the fact that Italians fought on the front lines with the British and American soldiers and despite the service of the Italian Navy and Air Force the Allies refused repeated Italian pleas for more involvement in combat This book not only attempts to correct the record of military history by illustrating the ways in which the Italians were underutilized by the Allies but it also serves to paint a fair portrait of the Italian military s substantial efforts to defeat Hitler and eradicate Fascism

**The Crash of Ruin** Peter Schrijvers, 2001-02 In the ruined Europe of World War II American soldiers on the frontline had no eye for breathtaking vistas or romantic settings The brutality of battle profoundly darkened the soldiers perceptions of the Old World Drawing on soldiers diaries letters poems and songs Peter Schrijvers offers a compelling account of the experiences of U S combat ground forces their struggles with the European terrain and seasons their confrontations with soldiers and their often startling encounters with civilians Schrijvers relays how the GIs became so desensitized and dehumanized that the sight of dead animals often evoked more compassion in them than enemy dead The Crash of Ruin concludes with a dramatic and moving account of the final Allied offensive into German held territory and the soldiers bearing witness to the ultimate symbol of Europe s descent into ruin the death camps of the Holocaust

**A Nation Forged in War** Thomas A. Bruscino, 2013-05-12 World War II shaped the United States in profound ways and this new book the first in the Legacies of War series explores one of the most significant changes it fostered a dramatic increase in ethnic and religious tolerance A Nation Forged in War is the first full length study of how large scale mobilization during the Second World War helped to dissolve longstanding differences among White soldiers of widely divergent backgrounds Never before or since have so many Americans served in the armed forces at one time more than 15 million donned uniforms in the period from 1941 to 1945 Thomas Bruscino explores how these soldiers shared experiences enduring basic training living far from home engaging in combat transformed their views of other ethnic groups and religious traditions He further examines how specific military policies and practices worked to counteract old prejudices and he makes a persuasive case that throwing together men of different regions ethnicities religions and classes not only fostered a greater sense of tolerance but also forged a new American identity When soldiers returned home after the war with these new attitudes they helped reorder what it meant to be white in America Using the presidential campaigns of Al Smith in 1928 and John F Kennedy in 1960 as bookend events Bruscino notes a key change in religious bias Smith s defeat came at the end of a campaign rife with anti

Catholic sentiment Kennedy's victory some three decades later proved that such religious bigotry was no longer an insurmountable obstacle. Despite such advances, Bruscino notes that the growing broad-mindedness produced by the war had limits; it did not extend to African Americans whose own struggle for equality would dramatically mark the postwar decades. Extensively documented, *A Nation Forged in War* is one of the few books on the social and cultural impact of the World War II years. Scholars and students of military, ethnic, social, and religious history will be fascinated by this groundbreaking new volume.

**Air University Library Index to Military Periodicals**, 1989      *Arn's War* Edward C. Arn, 2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism. Instead, he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire, to suffer a wound, to agonize over the deaths of friends, to endure true suffering, to sacrifice, and to survive. Edited and annotated by Jerome Mushkat, this memoir is an account of a citizen soldier who survived his baptism by fire during World War II.

**BOOK JACKET**      *The History of the U.S. Army Medical Service Corps* Richard V. N. Ginn, 1997      **Indiana Military History Journal**, 1988      **Going for Broke** James M. McCaffrey, 2013-04-30 When Japanese forces attacked Pearl Harbor on December 7, 1941, Americans reacted with revulsion and horror. In the patriotic war fever that followed, thousands of volunteers, including Japanese Americans, rushed to military recruitment centers. Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion, the U.S. Army initially turned Japanese American prospects away. Then, as a result of anti-Japanese fearmongering on the West Coast, more than 100,000 Americans of Japanese descent were sent to confinement in inland relocation centers. Most were natural-born citizens; their only crime was their ethnicity. After the army eventually decided it would admit the second-generation Japanese American Nisei volunteers, it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team. This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor, volunteers from Hawaii, and even recruits from the relocation centers. In *Going for Broke*, historian James M. McCaffrey traces these men's experiences in World War II from training to some of the deadliest combat in Europe. Weaving together the voices of numerous soldiers, McCaffrey tells of the men's frustrations and achievements on the U.S. mainland and abroad. Training in Mississippi, the recruits from Hawaii and the mainland have their first encounter with southern-style black-white segregation. Once in action, they helped push the Germans out of Italy and France. The 442nd would go on to become one of the most highly decorated units in the U.S. Army. McCaffrey's account makes clear that like other American soldiers in World War II, the Nisei relied on their personal determination, social values, and training to go for broke, to bet everything, even their lives. Ultimately, their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war.

*Endkampf* Stephen G. Fritz, 2004-10-08 At the end of World War II, Gen. Dwight D. Eisenhower, fearing that retreating Germans would consolidate large numbers of troops in an Alpine stronghold and from there conduct a protracted guerilla war, turned U.S. forces toward the heart of Franconia, ordering

them to cut off and destroy German units before they could reach the Alps Opposing this advance was a conglomeration of German forces headed by SS Gruppenführer Max Simon a committed National Socialist who advocated merciless resistance Under the direction of officers schooled in harsh combat in Russia the Germans succeeded in bringing the American advance to a grinding halt Caught in the middle were the people of Franconia Historians have accorded little mention to this period of violence and terror but it provides insight into the chaotic nature of life while the Nazi regime was crumbling Neither German civilians nor foreign refugees acted simply as passive victims caught between two fronts Throughout the region people pressured local authorities to end the senseless resistance and sought revenge for their tribulations in the liberation that followed Stephen G Fritz examines the predicament and outlook of American GI s German soldiers and officials and the civilian population caught in the arduous fighting during the waning days of World War II *Endkampf* is a gripping portrait of the collapse of a society and how it affected those involved whether they were soldiers or civilians victors or vanquished perpetrators or victims *Bibliography of the History of Medicine* ,1993 **Military History** ,1987-08 **Monte Cassino** Peter Caddick-Adams,2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town **The 10th Mountain Division** Dennis P. Chapman,2023-03-28 The storied history of the US Army s elite 10th Mountain Division is presented here in precise detail by Dennis Chapman a former officer in the division The reader will first learn of the outfit s 1943 activation then the dramatic story of their famous WWII Italian campaign After successfully storming the near vertical slope of Riva Ridge thought unclimbable by their German opponents and then seizing the strategic heights of the Mount Belvedere massif the men of the 10th Mountain Division battered their way through the Apennine Mountains Breaking out into the Po Valley the 10th Mountain Division raced across the lowlands to the foot of the Austrian Alps slamming the door shut on thousands of retreating Axis troops The reader will also learn about the heroism of the 10th Mountain Division troops at the Battle of the Black Sea in Mogadishu the famous story of Black Hawk Down as well as its exploits during the early years of the global war on terror Unlike most books of its kind this book goes beyond those famous exploits bringing together all the threads of the division s history Chapman also recounts the history of the 10th Mountain Division in its Cold War incarnations at Fort Riley Kansas and in Germany He also tells the story of the 87th Infantry Regiment the last remaining of the division s three original regiments and the only element of the division to continue in existence from the division s deactivation in 1958 until its reactivation in 1985 **Witness to War** Richard J. Aldrich,2004 Using compelling material from a startling range of diaries this work offers a fresh perspective on the experience of ordinary individuals during the Second World War **A Guide to the Sources of United States Military History** Robin Higham,Donald J. Mrozek,1998 *World War II* Carl J. Schneider,Dorothy Schneider,2014-07

Firsthand accounts and brief biographies describe how Americans were affected by the events surrounding World War II

*World War II in Europe, Africa, and the Americas, with General Sources* Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war The Journal of the Oklahoma State Medical Association ,1991

This is likewise one of the factors by obtaining the soft documents of this **Long Walk Through War A Combat Doctors Diary** by online. You might not require more get older to spend to go to the books creation as skillfully as search for them. In some cases, you likewise reach not discover the pronouncement Long Walk Through War A Combat Doctors Diary that you are looking for. It will totally squander the time.

However below, taking into account you visit this web page, it will be as a result utterly easy to get as skillfully as download lead Long Walk Through War A Combat Doctors Diary

It will not take many grow old as we tell before. You can realize it even if enactment something else at home and even in your workplace. hence easy! So, are you question? Just exercise just what we give under as skillfully as review **Long Walk Through War A Combat Doctors Diary** what you bearing in mind to read!

### **Long Walk Through War A Combat Doctors Diary Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Long Walk Through War A Combat Doctors Diary PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Long Walk Through War A Combat Doctors Diary PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Long Walk Through War A Combat Doctors Diary free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Long Walk Through War A Combat Doctors Diary Books**

1. Where can I buy Long Walk Through War A Combat Doctors Diary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Long Walk Through War A Combat Doctors Diary book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
