The Long Way Back Fuad al-Takarli, 2007 The Long Way Back tells the story of four generations of the same family living in an old house in the Bab al Shaykh area of Baghdad Through exquisite layering of the overlapping worlds of the characters their private conflicts and passions are set against the wider drama of events leading up to the overthrow of prime minister Abd al Karim Qasim and the initial steps to power of the

Baath party in Iraq in 1962-63. The skilful building up of the characters and their worlds within a brief and clearly determined period of recent history allows for a bold and intelligent portrayal of the ambiguous strengths and weaknesses of Iraqi and wider Arab culture. In addition the dramatization of the relationships between generations, social groups and genders is achieved with a mixture of humor, bitter irony and compassion that identifies it as a great work of Arabic literature. *Long Way Back to the River Kwai* Loet Velmans, 2011-09. He survived brutality, sickness and war but he refused to give up hope. Loet Velmans was seventeen when Germany invaded his native Holland in 1940. He and his family escaped to London just before the Dutch army surrendered and German U-boats began their deadly patrol of the North Sea. Deciding they would be safer in the Far East, the Velmans family sailed to the Dutch East Indies, now Indonesia, where Loet joined the Dutch army. In March 1942 the Japanese invaded, conquered the colony in a week without firing a shot and imprisoned all Dutch soldiers. For three and a half years Loet toiled in slave labor camps building the railway made famous by *The Bridge on the River Kwai*, which would supply the Japanese invasion of India. Some 200,000 POWs and laborers died building this Railway of Death. Loet suffered malaria, dysentery, malnutrition and unspeakable abuse but never gave up hope. Almost sixty years later he returned to the place where he nearly died and where he buried his best friend in a burlap sack. From that emotional visit comes this stunning memoir. Back cover. *Long Way Back Home* Evelyn Saah-Giegbefumwen, 2017-04-21. This book shows close friendship and love between two adolescents, one faced by the struggles of life. Kids made fun of her. Her mother ignored her. She escaped for a better life to where she did not know in the world of alcohol, violence and drugs. In pain she accepted defeat and ran back home. Her godly mother started repenting. She confesses her failures for not being an example of godliness to her daughter. She repents for failing to train her daughter in his ways. She asked God for forgiveness. Jamour's mother was a single mother who came to understand the depth of her problems and the impact on her daughter's life. Sometimes mothers find themselves raising children alone through no fault of their own. Women are often innocent victims of rape and world wracked by war. *A Long Way Back* ARIADNA, 2011-08-23. The long way back to Europe. Minority protection in Bulgaria
 Bernd Rechel, 2012-02-27 The protection of minorities in Bulgaria presents a paradox Although minority protection played a prominent role in the accession of the country to the European Union hardly any positive minority rights were adopted in post communist Bulgaria Apart from the reversal of communist assimilation campaigns only limited progress has been made in the area of minority protection Positive minority rights have remained very restricted some minorities notably Pomaks and Macedonians have been denied recognition and the formal adoption of legislation or policy documents has often not been followed by implementation By charting minority rights policies in Bulgaria in the period between 1989 and 2004 this study clarifies the main reasons for the limited progress in the post communist period While in contrast to some other countries in Central and Eastern Europe minority kin states did not play a major role in post communist Bulgaria the European Union and the Council of Europe were instrumental in putting minority questions on the agenda of Bulgarian governments However their impact was smaller than much of the literature on enlargement and conditionality would suggest Domestic factors were crucial in shaping minority rights policies in post communist Bulgaria Of particular importance was the communist legacy which acted as a brake on the development of minority rights
