## **Long Ride To Davis:**

Jefferson Davis William C. Davis, 1991 A biography of Jefferson Davis statesman Mexican war hero and President of the Confederate States of America *Lincoln & Davis* Augustin Stucker, 2011-11-08 The story of Jefferson Davis and Abraham Lincoln is the story of the United States and without either of their lives and influence we would not be the nation we are today They were born within 9 months and 100 miles of each other in Kentucky log cabins Their parallel lives from that point forward were eerily similar in spite of Davis remaining a life long Southerner and Lincoln moving to and settling in Illinois Each man had cold emotionally distant fathers both lost their first loves to disease within one month of each other married strong Southern women much younger than themselves and lost young sons while Presidents of the Union and the Confederacy Both men were ambitious and drawn to the world of politics where Davis an ardent slaveholder and state rights leader and Lincoln seeking to limit and eradicate slavery worked tirelessly to avoid Civil War up to the moment of Southern secession Finally Lincoln and Davis were each considered martyrs after leading their nations through the conclusion of the Civil War This is their compelling story including comparing the stark political events of their era to those being replayed across today's America For more information about the book and or the author please visit [www.lincolndanndavis.com](http://www.lincolndanndavis.com)

*Jefferson Davis, Confederate President* Herman Hattaway, Richard E. Beringer, 2002 Now two Civil War historians Herman Hattaway and Richard Beringer take a new and closer look at Davis's presidency In the process they provide a clearer image of his leadership and ability to handle domestic diplomatic and military matters under the most trying circumstances without the considerable industrial and population resources of the North and without the formal recognition of other nations **BOOK JACKET** Burdens of War Jessica L. Adler, 2017-07-31 How have Americans grappled with the moral and financial issues of veterans health care In the World War I era veterans fought for a unique right access to government sponsored health care In the process they built a pillar of American social policy *Burdens of War* explores how the establishment of the veterans health system marked a reimagining of modern veterans benefits and signaled a pathbreaking validation of the power of professionalized institutional medical care Adler reveals that a veterans health system came about incrementally amid skepticism from legislators doctors and army officials concerned about the burden of long term obligations monetary or otherwise to ex service members She shows how veterans welfare shifted from centering on pension and domicile care programs rooted in the nineteenth century to direct access to health services She also traces the way that fluctuating ideals about hospitals and medical care influenced policy at the dusk of the Progressive Era how race class and gender affected the health related experiences of soldiers veterans and caregivers and how interest groups capitalized on a tense political and social climate to bring about change The book moves from the 1910s when service members requested better treatment Congress approved new facilities and increased funding and elected officials expressed misgivings about who should have access to care to the 1930s when the economic crash prompted veterans to increasingly turn to hospitals

for support while bureaucrats politicians and doctors attempted to rein in the system By the eve of World War II the roots of what would become the country s largest integrated health care system were firmly planted and primed for growth Drawing readers into a critical debate about the level of responsibility America bears for wounded service members *Burdens of War* is a unique and moving case study **Danny Blackgoat** Tim Tingle,2017-01-03 *The Saddle and Show Horse Chronicle*,1920 *All Hands Down* Kenneth Sewell,Jerome Preisler,2008-04-15 A Cold War disaster that took ninety nine lives and was denied for forty years what really happened to the USS Scorpion May 1968 An American submarine is sent to investigate suspicious Soviet ships gathered in the mid Atlantic No one aboard the USS Scorpion was aware of the trap they rode into that the Soviets planned revenge for the mysterious sinking of a Russian sub two months before or that a traitor has been supplying the KGB with the US Navy s top secret codes In this thrilling story that portray the human side of a naval tragedy that was officially denied for forty years veteran submariner and bestselling author Kenneth Sewell chronicles the astounding true events behind the demise of the USS Scorpion **The Vineyard of Liberty, 1787-1863** James MacGregor Burns,2012-04-10 A Pulitzer Prize winner looks at the course of American history from the birth of the Constitution to the dawn of the Civil War The years between 1787 and 1863 witnessed the development of the American Nation its society politics customs culture and most important the development of liberty Burns explores the key events in the republic s early decades as well as the roles of heroes from Washington to Lincoln and of lesser known figures Captivating and insightful Burns s history combines the color and texture of early American life with meticulous scholarship Focusing on the tensions leading up to the Civil War Burns brilliantly shows how Americans became divided over the meaning of Liberty Vineyard of Liberty is a sweeping and engrossing narrative of America s formative years Reporting for Duty Andrew Mills,2022-12-13 This memoir describes the things the author has done in his life to promote justice and peace in America s foreign and domestic policies But it is more than a memoir it also includes background for and analysis of the peace and justice issues involved The author says I love my country deeply and so I want it to live up to its promise of brotherhood truth and fairness and to commit to being a peaceful neighbor among the community of nations As detailed in the book the author s life has been one adventure after another as he undertook actions for justice and peace for example when he participated in part of the civil rights march from Selma to Montgomery Alabama in 1965 and when he was in a group that was kidnapped by the Contras in Costa Rica in 1985 The book emphasizes that peace work doesn t stop with peace conferences or praying for peace It is facing the hard truths of the issues and finding the most effective ways to make peace His primary intent in writing the book is to encourage people everywhere to invest themselves in justice and peace initiatives in their own countries **The American Experiment** James MacGregor Burns,2013-05-21 The Pulitzer Prize winning author s stunning trilogy of American history spanning the birth of the Constitution to the final days of the Cold War In these three volumes Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the

most significant cultural economic and political events of American history In *The Vineyard of Liberty* he combines the color and texture of early American life with meticulous scholarship Focusing on the tensions leading up to the Civil War Burns brilliantly shows how Americans became divided over the meaning of Liberty In *The Workshop of Democracy* Burns explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states the shattering tragedy of the First World War the explosion of industry and in the end the emergence of the United States as a new global power And in *The Crosswinds of Freedom* Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower through the Great Depression the Second World War the Cold War and the rapid pace of technological change that gave rise to the American Century

*Self-examination in Psychoanalysis and Psychotherapy* William F. Cornell, 2018-07-17 Self examination in Psychoanalysis and Psychotherapy provides open and intimate accounts of the experience of being in psychotherapy The internal life of the therapist is as much at the heart of the stories told as those of the clients William F Cornell here writes in a more personal and literary voice avoiding as much as possible the dense theoretical language that often typifies analytic writing Central to the thesis elaborated in this book is that of how the therapist's own personal history and unconscious motivations can deepen or distort the therapist's understanding of the client One chapter is devoted to the frank discussion of the author's work with a client that was not only unhelpful but in fact harmful Cornell emphasizes the capacity to call one's self into question as a fundamental outcome of psychotherapy and psychoanalysis Attention is paid to the conscious and unconscious forces that create profound dynamic tensions between the enlivening desire for a fuller life and the defenses that deaden one's capacity to think and to engage more fully in one's life and relationships The dynamics of transgenerational transmission of grief loss and trauma are also examined closely The psychotherapist as person and professional rather than the client's is at the heart of this book *Self examination in Psychoanalysis and Psychotherapy* will appeal to all psychoanalysts and psychoanalytic psychotherapists who will find an exceptionally open discussion of the challenges learning and meanings of being a psychotherapist

**Twenty of Their Swords** Holmes M. Alexander, 2010-12-01 Holms M Alexander 1906 1985 was an American author
