Maeve Brennan Edward O'Rourke, 2024-10-30 This book explores the intricate interplay between physical spaces and psychological landscapes in the works of Irish American author Maeve Brennan Brennan's writing is now classed amongst the most important of twentieth century Irish women's fiction having undergone a significant reclamation and reappraisal in the 30 years since her death Single and childfree for most of her life Brennan eschewed the securities of family and home experiencing an otherness that she shared with her fellow New Yorkers many of them left she wrote hanging on to a city half capsized most of them still able to laugh as they cling to the island that is their life's predicament It is a suitably ambiguous expression for a writer who cultivated an interstitial existence whose stories inhere within a dream cycle of reiterative pasts and whose works augment and elevate the canon of radical Irish fiction

Irish Women Writers and the Modern Short Story Elke D'hoker, 2016-07-28 This book traces the development of the modern short story in the hands of Irish women writers from the 1890s to the present George Egerton Somerville and Ross Elizabeth Bowen Mary Lavin Edna O'Brien Anne Enright and Claire Keegan are only some of the many Irish women writers who have made lasting contributions to the genre of the

modern short story yet their achievements have often been marginalized in literary histories which typically define the Irish short story in terms of its oral heritage nationalist concerns rural realism and outsider hero Through a detailed investigation of the short fiction of fifteen prominent writers this study aims to open up this critical conceptualization of the Irish short story to the formal properties and thematic concerns women writers bring to the genre What stands out in thematic terms is an abiding interest in human relations whether of love the family or the larger community In formal terms this book traces the overall development of the Irish short story highlighting both the lines of influence that connect these writers and the specific use each individual author makes of the short story form

Flâneuse Lauren Elkin, 2017-02-28 FINALIST FOR THE PEN DIAMONSTEIN SPIELVOGEL AWARD FOR THE ART OF THE ESSAY A New York Times Notable Book of 2017 The flâneur is the quintessentially masculine figure of privilege and leisure who strides the capitals of the world with abandon But it is the flâneuse who captures the imagination of the cultural critic Lauren Elkin In her wonderfully gender bending new book the flâneuse is a determined resourceful individual keenly attuned to the creative potential of the city and the liberating possibilities of a good walk Virginia Woolf called it street haunting Holly Golightly epitomized it in *Breakfast at Tiffany's* and Patti Smith did it in her own inimitable style in 1970s New York Part cultural meander part memoir Flâneuse takes us on a

distinctly cosmopolitan jaunt that begins in New York where Elkin grew up and transports us to Paris via Venice Tokyo and London all cities in which she s lived We are shown the paths beaten by such fl neuses as the cross dressing nineteenth century novelist George Sand the Parisian artist Sophie Calle the wartime correspondent Martha Gellhorn and the writer Jean Rhys With tenacity and insight Elkin creates a mosaic of what urban settings have meant to women charting through literature art history and film the sometimes exhilarating sometimes fraught relationship that women have with the metropolis Called deliciously spiky and seditious by The Guardian Fl neuse will inspire you to light out for the great cities yourself The Springs of Affection Maeve Brennan,2009-03-10 The twenty one stories collected here the very best stories of one of The New Yorker s most celebrated writers trace the patterns of love within three Dublin families Love between husband and wife which begins in courtship and laughter loses all power of expression and then vanishes forever The natural love of sister for brother and of mother for son is twisted into the rage to possess And love that gives rise to the rituals of family life those ordinary customs that are the only true realities most of us ever know grows solid as rock that will never give way In his introduction William Maxwell who was for twenty years Maeve Brennan s editor writes of the special quality of her work and especially of the title story which he places among the great short fiction of the twentieth century

American Book Publishing Record ,1998 *Spinster* Kate Bolick,2015-04-21 A New York Times Book Review Notable Book Whom to marry and when will it happen these two questions define every woman s existence So begins *Spinster* a revelatory and slyly erudite look at the pleasures and possibilities of remaining single Using her own experiences as a starting point journalist and cultural critic Kate Bolick invites us into her carefully considered passionately lived life weaving together the past and present to examine why she along with over 100 million American women whose ranks keep growing remains unmarried This unprecedented demographic shift Bolick explains is the logical outcome of hundreds of years of change that has neither been fully understood nor appreciated *Spinster* introduces a cast of pioneering women from the last century whose genius tenacity and flair for drama have emboldened Bolick to fashion her life on her own terms columnist Neith Boyce essayist Maeve Brennan social visionary Charlotte Perkins Gilman poet Edna St Vincent Millay and novelist Edith Wharton By animating their unconventional ideas and choices Bolick shows us that contemporary debates about settling down and having it all are timeless the crucible upon which all thoughtful women have tried for centuries to forge a good life Intellectually substantial and deeply personal *Spinster* is both an unreservedly inquisitive memoir and a broader cultural exploration that asks us to acknowledge the opportunities within ourselves to live authentically Bolick offers us a way back into our own lives a chance to see those splendid years when we were young and unencumbered or middle aged and finally left to our own devices for what they really are unbounded and our own to savor The New York Times Book Review ,1995-11 **The Visitor** Maeve Brennan,2015-04-15 The current revival of the work of Maeve Brennan who died in obscurity in 1993 has won her a reputation as a twentieth century classic one of the best Irish writers of stories since Joyce

Now unexpectedly Brennan's oeuvre is immeasurably deepened and broadened by a miraculous literary discovery a short novel written in the mid 1940s but till now unknown and unpublished Recently found in a university archive it is a story of Dublin and of the unkind ungenerous emotionally unreachable side of the Irish temper *The Visitor* is the haunting tale of Anastasia King who at the age of twenty two returns to her grandmother's house the very house where she grew up after six long years away She has been in Paris comforting her disgraced and dying mother the runaway from a disastrous marriage to Anastasia's late father the grandmother's only son It's a pity she sent for you the grandmother says smiling with anger And a pity you went after her It broke your father's heart Anastasia pays dearly for the choice she made a choice that now costs her her own strong sense of family and makes her an exile a visitor in the place she once called home Penelope Fitzgerald writing of Brennan's story *The Springs of Affection* said that it carries an electric charge of resentment and quiet satisfaction in revenge that chills you right through The same can be said of the *The Visitor* Maeve Brennan's lost novel the early work of an incomparable master *Subject Guide to Books in Print*, 1991 *New World Irish* J. Morgan, 2011-11-16 The book concerns the new World Irish tracing the developing profile of the Irish in America from the Famine forward The studies draw their material from roughly a one hundred year arc of Irish presence and relevance in American life and they would serve as American as well as Irish American studies **The Publishers' Trade List Annual**, 1974 **Feminist Bookstore News**, 1998 **The Cambridge Companion to Irish Modernism** Joseph N. Cleary, 2014-08-11 This volume takes an interdisciplinary approach to Irish modernism offering readers an accessible overview of key writers and artists **The Atlantic**, 1970 **forum for inter-american research Vol 1** Wilfried Raussert, 2023-07-20 Volume 1 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish [American Book Publishing Record Cumulative, 1950-1977](#) R.R.
