Laythe, 2011-12-16 *Engendered Death* Pennsylvania Women Who Kill is an historical and interdisciplinary study of women who kill in Pennsylvania from the 18th century to the present It is not an examination of what motivates women to kill although the

reader may deduce that from the case studies included Instead it is an examination of how society perceives women who kill and how the gender lens is applied to them throughout the legal process in the media and in the courtroom What makes this work particularly unique is its combination of both scholarly analysis and narrative case studies As such it will appeal to both the scholar and the reader of true crime non fiction If we are to recognize the complex variables at play in all criminal offenses we will need to understand that the laws of a community its social values its politics economics and even geography play a factor in what laws are enforced and against whom they are enforced The decision to define and label certain behaviors and certain people was based on social political and economic considerations of each community Thus the commission of murder by a woman in Arizona may have a variety of factors associated with it that are not present in the case of a woman who murdered her husband in Maine This study in part because of the volume of cases and in part to limit the variables affecting the cases has limited its scope of women killers to the state of Pennsylvania Pennsylvania is the ideal state to study because of its long and stable legal and political traditions its historically diverse population and the large number of newspapers that will help us gauge the public s view of women and women who kill By limiting our scope to one state we know that the legal definitions are fairly consistent for all of the women during a certain period and we can more easily identify the shifts in social values regarding women and homicide Longarm Double #3 Tabor Evans,2011-04-26 The fifth and sixth tales in the series deliver all the blood bullets and beauties Longarm lovers demand and then some LONGARM IN THE INDIAN NATION Bank robbery and murder bring Deputy U S Marshal Custis Long to the lawless borders of Oklahoma where he takes on wild spirited Indians ruthless cattle rustlers gold grubbing Indian agents cold blooded gunslingers and a beautiful bounty hunter LONGARM AND THE LOGGERS Whipsaw is a timber camp in boom time Nevada thick with brawny loggers cardsharps and ruby lipped fancy women It s a town ruled by the lumber barons with their own private brand of justice Until Longarm arrives aiming to make big changes with a little help from a gorgeous gunslinging gambler

*Longarm and the Mad Bomber's Bride* Tabor Evans,2000 With her heavenly voice Miss Claire needs Deputy Long to keep her alive Promised a thousand dollars and fringe benefits if he catches the rascal Longarm is left singing the blues when Miss Claire stages her own murder and disappears **Fullerton's Rangers** Chuck Hornung,2015-05-07 In 1890 the U S government declared the frontier settled and the Wild West was history In the territory of New Mexico however crime still knew no limit and the gun was the final answer to all problems Aiming to help New Mexico achieve statehood its leaders decided they needed a mounted police force like those that had tamed Texas and Arizona This book describes the birth of the New Mexico Mounted Police in 1905 and tells the stories of the members of the original Mounties starting with their first captain John F Fullerton Information drawn from personal interviews with ranger family members many of whom provided photographs Fullerton s personal papers and official Mounted Police records brings a wealth of detail to this story from New Mexico s rich history Fred Lambert the last surviving member of the territorial rangers provides a foreword
