Journalism Tony Harcup, 2009-03-18 A holistic assessment of what journalism is all about with plenty of enterprising interpretations of our trade a word I prefer to profession I never met a more unprofessional breed than that of my fellow hacks This book will I hope lead our successors both to question and rebel more than we have Jon Snow Channel 4 News Stands out in a crowded field The Guardian The bible of professional education in journalism Every student of journalism should buy a copy THE Times Higher Education This is the indispensable guide to the theory and practice of journalism now updated with 25% entirely new material With its innovative text design it creatively combines the experience and advice of practising journalists with the theories and insights from the academic study of journalism This second edition thoroughly addresses the converged nature of much 21st century journalism with discussion and examples of online practice embedded throughout to represent the reality that online journalism is increasingly part of the job for all journalists New and improved features include More examples more depth and more interviews with journalists A whole new chapter on telling stories through pictures whether on TV or online Fresh new examples reflecting today's journalistic practice More insights from online journalists on blogging the use of video and audio on the web interactive maps and other ways of doing journalism online This edition embraces the new without abandoning the fundamentals of what journalism is all about It will continue to inspire students of journalism to reflect on everyday practice

and connect it to academic debate      Dictionary of Media and Communication Studies James Watson, Anne Hill, 2015-10-22  
The Dictionary of Media and Communication Studies has provided students and the general public alike with a gateway into the study of intercultural communication public relations and marketing communications since 1984 In this 9th edition James Watson and Anne Hill provide a detailed compendium of the different facets of personal group mass media and internet communication that continues to be a vital source of information for all those interested in how communication affects our lives They cover new applications and developments such as the incorporation of Neuroscience techniques in advertising and marketing Other updates include Cyber bullying Twitter scandals conduct in media organizations on line lobbying global protesting petitioning and gender issues relating to social media in general While new entries explore the profound shifts that have taken place in the world of communication in recent years the purpose of this new edition is not necessarily to keep abreast of every new media event but to reflect the trends that influence and prompt such events such as the Leveson Inquiry and Report and phone hacking via mobile phones Politics seems to be playing out more on Twitter than in The Times This volume seeks to make its twenty first century readers more media literate as well as more critical consumers of modern news

*Popular Entertainment Research* Barbara J. Pruett, 1992 Tells how to do research in film and television the theater popular music and recorded sound      Mass Media in Sub-Saharan Africa Louise M. Bourgault, 1995-06-22 Bourgault mass communication Northern Michigan U Marquette analyzes the historical political economic social cultural and stylistic factors that have shaped media products in African radio television and newspapers She investigates the three major influences of the precolonial legacy of the oral tradition the presence of an alienated managerial class and the domination of African nations by systems based on patronage and looks at recent developments in technology and the move toward privatization  
Annotation c Book News Inc Portland OR booknews com      Communications Denis McQuail, MA, PhD, DipPSA, 2014-09-25  
First published in 1985 At a time when much attention is directed to the immense technical power and capacity of new means of communication it is worth reaffirming that the consequences for relationships of social power deserve rather more attention The nature of communication as a field of study and its relationship to sociology is the subject of this study
