Encyclopedic Learners' Dictionaries Martin Stark, 2015-03-30 This book describes and evaluates the usefulness of a recently developed lexicographical hybrid the encyclopedic learner's dictionary ELD First the ELD is analysed from a typological perspective Two encyclopedic learners dictionaries are dissected and compared and a checklist of ELD design features is drawn up A survey of previous user based studies is then provided followed by a description of the questionnaire based methodology used in this user centred investigation Next a critical analysis of each ELD design feature is provided Finally the implications of this research for the future production of ELDs are presented as a checklist of recommendations

Which dictionary for whom? Robert Lew, 2004 **Ethnocentrism and the English Dictionary** Phil Benson, 2002-01-08 This unique work challenges the assumption that dictionaries act as objective records of our language and instead argues that the English dictionary is a fundamentally ethnocentric work Using theoretical historical and empirical analyses Phil Benson shows how English dictionaries have filtered knowledge through predominantly Anglo American perspectives The book includes a major case study of the most recent edition of the Oxford English Dictionary and its treatment of China

Longman Pocket English Dictionary A. W. Frisby, 1975 **Interlingual Lexicography** R. R. K. Hartmann, 2007 Selection of 24 essays by the dictionary researcher Reinhard Hartmann on Interlingual Lexicography a genre much neglected in the literature including interdisciplinary approaches to translation equivalence its analysis in contrastive text linguistics and its treatment in the bilingual dictionary with particular attention to the user perspective in English and German *Longman Pocket English Dictionary* Longman Publishing Group, 2001-01-01 Longman Pocket English Dictionary Longman, 1994-10-01 Pedagogical Lexicography Today Fredric Thomas Dolezal, Don R. McCreary, 2014-07-24 The aim of this monograph which has rich and evaluative annotations is to contribute to a more comprehensive understanding of the issues in a major developing area of pedagogical lexicography With this monograph researchers and students can have access to a set of 521 articles from a diverse array of publications many in hard to find sources that will prove valuable in reviewing the literature of the area Because articles on language users and dictionary users are published in journals devoted to reading research language acquisition second language teaching linguistics and lexicography most of the past research in the area has not shown critical awareness of this diffuse collection of research The annotated bibliography found in this monograph supplies scholars in all the different fields of enquiry a critical guide to past and current work in pedagogical lexicography Because this subfield of lexicography has developed in a variety of disciplines it is difficult for researchers in any single discipline or sub discipline to find relevant and important articles this annotated bibliography not only provides a highly defined topical index based on a key word analysis of the literature but also annotations and commentary that provide the reader with a critical understanding of the important issues and debates in the development of the study of learners dictionaries and dictionary users The authors of this monograph have written the critical annotations in
