DIFFERENCE Once again everything isn't what it seems in the wonderful suburb of Grandville. This is the story of three women whose lives become entangled by the choices they make and how ultimately one of them turns to murder to achieve her goals. There are few things more entertaining than stories revealing the seamy underside of suburban life. The US Review of Books RECOMMENDED An intriguing cast of characters and an untimely death set the stage for a chick lit murder mystery in Rouda's *Here Home Hope* 2011 latest novel. A light engaging read that keeps readers guessing until the end. KIRKUS Reviews IN THE MIRROR Jennifer Benson is a woman who seems to have it all. Diagnosed with cancer, she enters an experimental treatment facility to tackle her disease the same way she tackled her life head on. But while she's busy fighting for a cure, running her business, planning a party, staying connected with her kids and trying to keep her sanity, she ignores her own intuition and warnings from others and reignites an old relationship best left behind. If you knew you might die, what choices would you make? How would it affect your marriage? How would you live each day? And how would you say no to the one who got away? Rouda writes with a fluent psychologically subtle realism that cuts Jennifer's pathos and occasional self-pity with humor and irony, and she surrounds her with characters: doting dad, vain shallow mom, mensch of a gay business partner, sarcastic gal pals who are sharply etched and entertaining. Jennifer is a winning heroine and readers will undoubtedly root for her as she reaches for a more mature if achingly uncertain future. An absorbing story of a woman grasping at life in the midst of death. Kirkus Reviews A MOTHER'S DAY A SHORT STORY Three mothers. Three sons. One day that connects them. Kaira Rouda tackles the big issues of life and death with candor and hope in this tribute to motherhood. A tragic event reawakens each woman to her own special gifts and her love for family and friends is reborn. Three mothers. Three sons. Six lives that will be changed forever. [Look for the Good and You'll Find God](#) Echo Bodine, 2010-11-12 Since discovering her psychic and healing abilities in her teens, Echo Bodine has used those gifts to help others. While working as a barber, she often sensed when a client needed healing and she'd silently provide it. She's helped people communicate with dead loved ones and helped others using the healing power that flows from her hands. She didn't always realize what her abilities meant or how to use them, but Echo continued to seek guidance. She discovered that as she sought the good in people and experiences, she also found the love of God and the power of good that come with spiritual practice. Join Echo for this ride through the incredible events of her life's journey. From one night's sighting of both comedian Bob Hope and a UFO to a glimpse into a European past life to a tangle with the IRS and a trip to Hollywood to explore reality television, all of Echo's adventures have deepened her understanding of God and her own humanity. Even situations that looked disastrous, such as alcohol addiction and teen pregnancy, became life-affirming milestones. Her stories reveal a hard-won wisdom that will help you too see the good everywhere and find divinity and guidance within. [Geek Mom](#) Kathy Ceceri, Corrina Lawson, Jenny Williams, 2012 The editors of GeekMom, sister site to Wired's GeekDad blog, offer a range of cool projects and parenting advice centered around raising kids in the tech age.
