Holroyd, 2015-05-26 Andrew was a son of a powerful sub king His father wanted twelve sons each to be named after one of the twelve holy men he had learned about from an itinerant preacher When tragedy struck and the king's wife died giving birth to a sixth brother all talk of faith died with her The king's eyes turned solely to the defense of his lands The teachings which were tied to a God whom he thought had failed him were not to be part of the picture These were rough times Vikings were raiding the shore areas taking what they wanted and leaving destruction There was strife closer to home as well as stronger families tried to grasp more land from weaker families Andrew knew the direction that his life would be taking When he became old enough he would start weapons training He would learn the ways of the warrior and he would join his father's war band and defend his land from the invading Vikings Life however does not always meet expectations Another traveling preacher visits the land and talks to Andrew about a different path to follow a path that does not parallel the ways of a warrior Which path will Andrew follow **What's It All About?** Michael Caine, 2012-03-31 From Alfred to Zulu Michael Caine has been Britain's best loved actor for half a century Now for the first time he reveals the truth behind his remarkable life From his time as an evacuee during the Blitz to his front line military service in the Korean War from his early days as an assistant stagehand to becoming Peter O Toole's understudy from walk on parts in local theatres to blowing the bloody doors off with his legendary roles in Zulu and The Italian Job Caine's life was never simple or easy Discussing his little known childhood and family alongside his hard fought journey from London to Hollywood Caine writes with astonishing candour about the good years and the lean years bringing his unique charm and humour to his anecdotes and memories of a sprawling movie making career If you worked in Hollywood in the last few decades you've probably worked with Michael Caine and his accounts of his relationships with other superstars both on and offscreen make this autobiography essential reading for any fan not just of Michael Caine but of film in general Just Adrian Adrian Mitchell, 2012-05-02 Just Adrian is a patchwork tour of a legendary playwright poet and activist's life in the theatre It is a fascinating first hand account of groundbreaking productions featuring figures like Kenneth Tynan Peter Brook and Peter Hall as well as adventures in alternative theatre These writings explore Adrian's many interests from drama for children to musical theatre in a voice that combines playful irreverence with compassion and insight Taken together they are a funny moving testament to a great theatre lover *From Your Gods to Our Gods* Marco Ventura, 2014-10-16 The global world debates secularism freedom of belief faith based norms the state's arbitration of religious conflicts and the place of the sacred in the public sphere In facing these issues Britain India and South Africa stand out as unique laboratories They have greatly influenced the rest of the world As single countries and together as a whole the three have moved from the colonial clash of antagonistic religions of

your gods to an era when it has become impossible to dissociate your god from my god Today both belong to the same blurred reality of our gods Through a narrative account of British South African and Indian court cases from 1857 to 2009 the author draws an unconventional history of the process leading from the encounter with the gods of the other to the forging of a postmodern common and global religion Across ages borders faiths and laws the three countries have experienced the ambivalent interaction of society politics and beliefs Hence the lesson the world might learn from them our gods promise an idealized purity but they can only become real in the everyday creation of mixed identities hybrid deities and shared fears and hopes Winter Colours Donald McRae,2014-06-05 Rugby is a sport that means different things to
