Look There Selected Poems

Oliver Goldsmith

Look There Selected Poems:

Look There Agi Mishol, 2006 Agi Mishol's poetry written in the instability of contemporary Israel is an astounding balancing act between brave utterance and comic revelation stark reality and pure pleasure The poet dreams of being married to Stephen Hawking men with all their brazen flaws are loved even admired parents are mourned and remembered the poet herself freezes in the spotlight of her own poetry reading a suicide bomber disguised as a pregnant woman walks into a Jerusalem bakery Skillfully rendered from the Hebrew into English by Lisa Katz Look There introduces American readers to a vital new poet whose depth and verve have earned her an international reputation Eleanor

Ehrenkranz, 2012-02 This book is a compilation of recent Yiddish Israeli and American Jewish poetry in one compact volume Eleanor Ehrenkranz's Jewish poetry anthology encapsulates the agony of the Middle East in distilled images that pierce the heart Tovah Feldshuh actress I have to admit that I don't usually like poetry But ever since I first read it I have made an exception for Yankev Glatshteyn's Praying the Sunset Prayer which expertly performs what I believe to be the function of art to suggest to us why life is worth living Dara Horn novelist I loved reading Robert Pinsky's poem The Night Game It is wonderfully wise and evocative characteristically American and Jewish I see in Pinsky's words the limitless opportunities of America through the lens of America's game baseball Senator Joseph I Lieberman Rachel Korn's I Am Soaked Th rough By You is a beautifully economical history of love soaked through with passion tenderness and gratitude Judith Viorst poet and novelist

The Stars of Earth - new and selected poems Emily Grosholz, 2017-10-16 Emily Grosholz weaves elements of philosophy mathematics and the sciences into her experience of the social and natural world to produce wise and cosmopolitan poetry of high lyricism The Stars of Earth starts with new poems chronicling the months of a year lived and observed followed by selections from Grosholz's previous volumes in chronological order This rare treasury spans four decades of Grosholz's acclaimed poetry PRAISE FOR THE STARS OF EARTH Emily Grosholz is a poet of radiant intelligence patient lyricism and meticulous craft She has a gifted naturalist's regard for the living world and wherever she looks that world for its part offers her its poetry With a philosopher's wit and a mathematician's eye for beauty she can link geometry and physics to the apricot color of a robin's breast She also writes with great empathy for her subjects The Stars of Earth collects four decades of her elegant and excellent work We are lucky to have it Mark Jarman author of The Heronry Compressed on the page then wafting ever outward on wings of imagination fine poetry and fine theorems are first cousins Or more rarely in poems like Emily Grosholz's twins Timid and fluid rainbows Over the nacreous surfaces Of shells on peacock feathers And soap bubbles appear Whenever incident light Reflects off nether and upper Laminae of films one wave train Tagging after another Like a younger sister Read this book Marjorie Senechal author of Shaping Space I admire Emily Grosholz because of the sounds her poems make She is always experimenting even when the results seem effortless The cunning irregularities are what most compel the reader is never allowed to relax The general readers among us are admitted

courteously to the civilizing company The heart not as a hackneyed valentine but as a living muscle is always present as pulse and passion The overwhelming sense these poems give is of affirmation Michael Schmidt author of *New and Collected Poems* The Stars of Earth is that rarest of books Emily Grosholz chronicles everything from love to loss childhood to marriage to parenthood She explores two continents and the minds of scientists artists friends long lost family And as befits a poet philosopher whose pursuits include the philosophy of mathematics she achieves potent mixes of the daily and the deep Nietzschean thought served up in a deli a toddler's first steps along the frail parabolas of love Melissa Balmain author of *Walking in on People* *The Collected Poems of T.E. Brown* Thomas Edward Brown, 1909 **Selected Poems of Christina**

G. Rossetti Christina Georgina Rossetti, 1913 **Collected Poems** Horace Smith, 1908 *The Collected Poems and Selected Prose* Stanley Burnshaw, 2010-01-01 Stanley Burnshaw began to publish poems in the 1920s and founded his own verse journal in 1925 After serving as coeditor and drama critic of the *New Masses* weekly 1934-1936 he entered book publishing directing the Dryden Press until 1958 when he joined Henry Holt The first of his nineteen earlier works *Andr Spire* and *His Poetry* appeared in 1934 and the last in 1990 A Stanley Burnshaw Reader with an introduction by Denis Donoghue The present volume the definitive Burnshaw collection offers all the poems he wishes to preserve and a full representation of his prose including *My Friend My Father* in its entirety *The Collected Poems and Selected Prose* is vital reading for anyone wishing to be fully acquainted with the man whom Karl Shapiro called one of the best respected men of letters of our time *Collected Poems* Austin Dobson, 1898 *Collected Poems* Thomas Hardy, 1925 *Collected Poems of Lenore Kandel* Lenore Kandel, 2012-04-10 Jack Kerouac immortalized her in his novel *Big Sur* A student of Zen she hung out with Gary Snyder and Allen Ginsberg and was a speaker at San Francisco's Human Be In But Lenore Kandel was no muse or hanger on she was a brilliant lyric poet often unabashedly erotic and that's where her legacy lies *Collected Poems of Lenore Kandel* contains 80 examples of her art from the holy erotica of her early years to later more contemplative works Many of the poems have never been published others only in rare ephemeral publications Some are explicit celebrating carnal love as part of the divine Others are humorous and cover more quotidian subjects A recurring theme is the divine animal duality The collection includes poems written from the early fifties up until Kandel's death The paradox of Lenore Kandel is that despite her prodigious talent she was one of the least read and critically appreciated of modern poets Kandel found her voice at a time when the Beat era was giving way to the countercultural age and though she straddled both eras it meant that she also fell through the cracks in terms of recognition Now for the first time the full range of her work appears in one volume

Select Poems of Oliver Goldsmith Oliver Goldsmith, 1878 **The Collected Poems of Kenneth Koch** Kenneth Koch, 2012-07-25 Kenneth Koch has been called one of our greatest poets by John Ashbery and a national treasure in the 2000 National Book Award Finalist Citation Now for the first time all of the poems in his ten collections from *Sun Out* poems of the 1950s to *Thank You* published in 1962 to *A Possible World* published in 2002 the year of the poet's death are gathered

in one volume Celebrating the pleasures of friendship art and love the poetry of Kenneth Koch has been dazzling readers for fifty years Charter member along with Frank O'Hara John Ashbery and James Schuyler of the New York School of poets avant garde playwright and fiction writer pioneer teacher of writing to children Koch gave us some of the most exciting and aesthetically daring poems of his generation These poems take sensuous delight in the life of the mind and the heart often at the same time O what a physical effect it has on me To dive forever into the light blue sea Of your acquaintance In Love with You Here is Koch's early work love poems like The Circus and To Marina and such well remembered comic masterpieces as Fresh Air Some General Instructions and The Boiling Water A serious moment for the water is when it boils And here are the brilliant later poems One Train May Hide Another the deliciously autobiographical address in New Addresses and the stately elegy Bel Canto poems that beneath a surface of lightness and wit speak with passion depth and seriousness to all the most important moments in one's existence Charles Simic wrote in The New York Review of Books that for Koch poetry has to be constantly saved from itself The idea is to do something with language that has never been done before In the ten exuberant hilarious and heartbreaking books of poems collected here Kenneth Koch does exactly that

History of the Rain Niall Williams, 2014-04-10 LONGLISTED FOR THE MAN BOOKER PRIZE 2014 By the author of Four Letters of Love the international bestseller now a major film starring Helena Bonham Carter and Pierce Brosnan A love letter to literature and storytelling Eimear McBride I am utterly obsessed with Niall Williams Ann Patchett In her attic room with the rain rushing down the windows Ruthie Swain is trying to find her father through stories Brought home after a collapse she lies surrounded by her father's library of three thousand nine hundred and fifty eight books But Ruthie's story and the story of the Swains before her is rooted not in these books pages but in the land fourteen rain sodden acres of earth useless for farming but teeming with stories From her bed Ruthie writes Ireland with its weather its rivers its lills and its lows The stories she recounts bring back to life multiple generations buried in this soil and they might just bring her back into the world again too Extremely moving By the final chapter I was weeping Sunday Times Dazzling Paragraph after paragraph begs you to stop and reread it to relish the lilt of it in your inner ear The Times Beautiful and enchanting A novel that weaves a love of literature into its own moving tale Guardian

The Collected Poems of Frank O'Hara Frank O'Hara, 1995-03-31 Available for the first time in paperback The Collected Poems of Frank O'Hara reflects the poet's growth as an artist from the earliest dazzling experimental verses that he began writing in the late 1940s to the years before his accidental death at forty when his poems became increasingly individual and reflective

Collected Poems Vachel Lindsay, 1925 A wide variety of moods and subjects are represented in this collection of poetry that is illustrated with drawings by the author

Through the Looking-glass, and what Alice Found There Lewis Carroll, 1895 In this sequel to Alice in Wonderland Alice goes through the mirror to find a strange world where curious adventures await her

A Long Strange Trip Dennis McNally, 2007-12-18 The complete history of one of the most long lived and legendary bands in rock history written by its

official historian and publicist a must have chronicle for all Dead Heads and for students of rock and the 1960s counterculture From 1965 to 1995 the Grateful Dead flourished as one of the most beloved unusual and accomplished musical entities to ever grace American culture The creative synchronicity among Jerry Garcia Bob Weir Phil Lesh Bill Kreutzmann Mickey Hart and Ron Pigpen McKernan exploded out of the artistic ferment of the early sixties roots and folk scene providing the soundtrack for the Dionysian revels of the counterculture To those in the know the Dead was an ongoing tour de force a band whose constant commitment to exploring new realms lay at the center of a thirty year journey through an ever shifting array of musical cultural and mental landscapes Dennis McNally the band s historian and publicist for more than twenty years takes readers back through the Dead s history in *A Long Strange Trip* In a kaleidoscopic narrative McNally not only chronicles their experiences in a fascinatingly detailed fashion but veers off into side trips on the band s intricate stage setup the magic of the Grateful Dead concert experience or metaphysical musings excerpted from a conversation among band members He brings to vivid life the Dead s early days in late sixties San Francisco an era of astounding creativity and change that reverberates to this day Here we see the group at its most raw and powerful playing as the house band at Ken Kesey s acid tests mingling with such legendary psychonauts as Neal Cassady and Owsley Bear Stanley and performing the alchemical experiments both live and in the studio that produced some of their most searing and evocative music But McNally carries the Dead s saga through the seventies and into the more recent years of constant touring and incessant musical exploration which have cemented a unique bond between performers and audience and created the business enterprise that is much more a family than a corporation Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years the book takes readers on a personal tour through the band s inner circle highlighting its frenetic and very human faces *A Long Strange Trip* is not only a wide ranging cultural history it is a definitive musical biography

The Cambridge Companion to W. H. Auden Stan Smith, 2005-01-13 This volume brings together specially commissioned essays by some of the world s leading experts on the life and work of W H Auden one of the major English speaking poets of the twentieth century The volume s contributors include a prize winning poet Auden s literary executor and editor and his most recent widely acclaimed biographer It offers fresh perspectives on his work from Auden critics alongside specialists from such diverse fields as drama ecological and travel studies It provides scholars students and general readers with a comprehensive and authoritative account of Auden s life and works in clear and accessible English Besides providing authoritative accounts of the key moments and dominant themes of his poetic development the Companion examines his language style and formal innovation his prose and critical writing and his ideas about sexuality religion psychoanalysis politics landscape ecology and globalisation It also contains a comprehensive bibliography of writings about Auden

Collected Poems of Thomas Hardy Thomas Hardy, 1925 **The Collected Poems of Williams Carlos Williams** William Carlos Williams, 2015-02-19 Considered by many to be the most characteristically

American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first
