criticism of teaching methods being used in American schools methods he argued that were failing children and lowering the  
nation s literacy rates in comparison to other countries He championed a return to phonics which emphasized learning  
letters and their sounds rather than trying to memorize whole words and recognize them on sight Time magazine reported  
that the book would shock many a US parent and educator and indeed it remained a bestseller for thirty seven weeks and  
changed the way reading was taught Today this method of teaching is recommended by the U S Department of Education  
and for parents who want to teach their child to read whether in a homeschooling setting in the preschool years or as a
