The Interlinear Literal Translation of the Hebrew Old Testament George Ricker Berry, 1897 **Holy Bible Aionian Edition: Aionian Bible** Nainoia, Inc., 2019-01-29 The Holy Bible Aionian Edition is the world s first Bible un translation Free at AionianBible.org and Google Playstore What is an un translation Bibles are translated into each of our languages from the original Hebrew Aramaic and Koine Greek Occasionally the best word translation cannot be found and these words are transliterated letter by letter Four well known transliterations are Christ baptism angel and apostle The meaning is then

preserved more accurately through context and a lexicon The Aionian Bible un translates and instead transliterates ten additional Aionian Glossary words to help us better understand God s love for individuals and all mankind and the nature of after life destinies The key Greek word un translated in the Aionian Bible is aionios typically translated as eternal and also world or age However aionios means something much more wonderful than eternal Why purple King Jesus Word is royal and purple is our favorite color Cairo Pop Daniel J. Gilman,2014-11-01 Cairo Pop is the first book to examine the dominant popular music of Egypt shababiyya Scorned or ignored by scholars and older Egyptians alike shababiyya plays incessantly in Cairo even while Egyptian youth joined in mass protests against their government which eventually helped oust longtime Egyptian president Hosni Mubarak in early 2011 Living in Cairo at the time of the revolution Daniel Gilman saw and more importantly heard the impact that popular music can have on culture and politics Here he contributes a richly ethnographic analysis of the relationship between mass mediated popular music modernity and nationalism in the Arab world Before Cairo Pop most scholarship on the popular music of Egypt focused on musiqa al arab Immensely popular in the 1950s and 60s and even into the 70s musiqa al arab adheres to Arabic musical theory with non Western scales based on tunings of the strings of the ud the lute that features prominently nearly ubiquitously in Arabic music However today one in five Egyptians is between the ages of 15 and 24 half the population is under the age of 25 And shababiyya is their music of choice By speaking informally with dozens of everyday young people in Cairo Gilman comes to understand shababiyya as more than just a musical genre sometimes it is for dancing or seduction other times it propels social activism at others it is simply sonic junk food In addition to providing a clear Egyptian musical history as well as a succinct modern political history of the nation Cairo Pop elevates the aural and visual aesthetic of shababiyya and its role in the lives of a nation s youth **UPDV**
