Looking For A Miracle Weeping Icons Relics Stigmata Visions And Healing Cures:

Looking for a Miracle Joe Nickell, 2009-12-02 The willingness of people to believe in magical icons mystical relics and miraculous pictures like the Image of Guadalupe is almost as curious as these phenomena themselves Though they cry out for scientific investigation millions of people blindly accept them as fact Historical and paranormal investigator Joe Nickell confronts such strange events powers and objects as the Shroud of Turin bleeding or weeping statues burning handprints liquefying blood ecstatic visions miraculous cures and people speaking in tongues in *Looking for a Miracle* Departing from standard critiques of religion Nickell carefully investigates the evidence relating to specific claims Religious believers and rationalists alike have much to learn from this revealing examination of the evidence for the miraculous *Looking for a Miracle* Joe Nickell, 1997

Miracle Cures Robert A. Scott, 2010-06-07 Iconic images of medieval pilgrims such as Chaucer's making their laborious way to Canterbury conjure a distant time when faith was the only refuge of the ill and infirm and thousands traveled great distances to pray for healing Why then in an age of advanced biotechnology and medicine do millions still go on pilgrimages Why do journeys to important religious shrines such as Lourdes Compostela Fátima and Medjugorje constitute a major industry In *Miracle Cures* Robert A Scott explores these provocative questions and finds that pilgrimage continues to offer answers for many Its benefits can range from a demonstrable improvement in health to complete recovery Using research in biomedical and behavioral science Scott examines accounts of miracle cures at medieval early modern and contemporary shrines He inquires into the power of relics apparitions and the transformative nature of sacred journeying and shines new light on the roles belief hope and emotion can play in healing *Popular Pleasures* Paul Duncum, 2021-08-26 Today's many popular aesthetic pleasures have a very long history Paul Duncum considers the historical critical discourses and socio political issues raised by aesthetic pleasures in fifteen thematic chapters Using illustrative examples from the past present and across cultures he challenges the idea of any decline of cultural standards and argues that no grounds exist for cultural pessimism Refusing to condemn popular culture on the basis of taste he reserves critique for the socio political ideologies aesthetics invariably serve Art history film cultural studies and philosophical aesthetics are each employed to show that the sensory emotional lures of today's popular culture are mostly identical to those of premodern fine art They include the violent the horrific the sentimental the exotic the erotic and the humorous Some of these pleasures derive from our evolutionary biology they are all an important part of what it means to be human and central to understanding contemporary society Examples are wide ranging including British seaside postcards Disney films Nazi propaganda burlesque modern advertising as well as many exemplars of fine art The book reveals fresh insights for all those studying visual culture art history aesthetics media studies and media and art education *Adventures in Paranormal Investigation* Joe Nickell, 2014-04-23 Tales of alien abductions miraculous relics and haunted castles have attracted believers and skeptics across the globe for centuries Paranormal investigator Joe Nickell tackles the world's most

seemingly inexplicable myths in *Adventures in Paranormal Investigation* With four decades of experience in the field Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries Unlike authors who engage in hype and sensationalism in order to foster or debunk myths Nickell approaches each case with a rational and scientific approach intended to find the truth Occam's Razor all things being equal the simplest solution is the best one is a principal instrument in his investigative toolbox as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases *Adventures in Paranormal Investigation* features Nickell's on site explorations in unusual phenomena Among the forty unique cases Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles to the Holocaust victims who reportedly haunt a gas chamber in Dachau to Lake Simcoe's resident lake monster Igopogo in Canada In addition to the case studies Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed More than just another myth busting text *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein establishing Nickell as the foremost paranormal investigator of our time

Shining Garment of the Text Alison Jasper, 1998-09-01 Taking the prologue of John's Gospel as a case study in feminist biblical criticism the author engages with a persistent view that the biblical text is seriously compromised by its association with patriarchal values Close analysis of five interpretations by Augustine Hildegard von Bingen Martin Luther Adrienne von Speyr and Rudolf Bultmann shows how unavoidably interpretation clothes the biblical text with the varied and dazzling patterns of the patriarchal reading context But in a second turn drawing on the techniques of both structuralist criticism and deconstruction and offering three further inventive readings of this powerful passage Jasper reflects woman and the feminine in the shining garment of her own contextualized reading

is that much more fascinating Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln's death and the supposed crash landing of an alien spacecraft near Roswell New Mexico He closely examines claims of the miraculous from rose petals bearing the likeness of Jesus to photographs of a golden door to heaven Controversial mysteries such as clairvoyance and spirit painting haunted places and freaks of nature are just a few of the many topics covered Suspenseful engrossing funny and grounded in scientific methodology Real Life X Files provides real explanations for the paranormal activities that have intrigued human beings for centuries **Catholic God, True God**

Silent Soul

Antonia Felix, 2001-04-21 Three days a week visitors from around the world enter the chapel of a small home in Worcester Massachusetts They have come to witness the Communion host that suddenly manifested a dark stain of blood during a Mass in this very room Most of all they have come to be near Audrey the teenage girl who lies in a bedroom at the other end of the house Unable to move or speak after a near drowning accident when she was three years old Audrey is believed by many to be the source of the miracles in her home Her family reports that she suffers the stigmata the bloody suffering of Christ

every Lenten season Pilgrims to the Santo home and to Audrey s annual public outings claim to have been healed of cancer and other diseases Lying in her little room she is surrounded by medical equipment including a respirator that keeps her alive round the clock care and the prayers of her family and countless thousands who believe she has been touched by God Audrey Santo the silent soul at the center of one of America s most famous religious pilgrimage sites touches the hearts of everyone who hears her story The doctors who treat her are bewildered by her survival And her mother a devout Catholic who has never given up hope that Audrey will fully awaken one day believes Audrey is a statement of life in our culture of death Is Audrey a messenger of God part of a divine plan to strengthen people s faith Or is she a severely disabled girl whose devout loving family has drawn a miraculous circle of belief around her What are the nonreligious explanations for the strange phenomena occurring in the Santo home What is the Catholic Church s view as announced in the first official report of its ongoing investigation Is Audrey a victim soul taking on the illness and suffering of others Did she receive this sacred call from Mary when her mother took her to the apparition room at Medjugorje These questions and more are explored in Antonia Felix s *Silent Soul* a thoughtful fascinating journey into one of the world s most compelling modern mysteries
