**Looking for God : a Seeker's Guide to God** Woodbury, Clair,1983      The Seeker's Guide to Faith J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ      *Dream Quest: A Seeker's Guide to Finding the Purpose of Being* Justan Mann, PhD,2018-03-07 Dream Quest reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night s chill within Madame Leonedria s grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God s door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander s brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose      Looking For God Steven S. Sadleir,2010 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition      **Seekers in the Hands of an Elusive God** Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this

struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshipping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

Paulson,2019-09-03 In this second of three volumes addressing Luther s outlaw

God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther's understanding of law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all The gospel is what freed Luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses With remarkable depth and clarity Paulson explores the question Where do we find a gracious God For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross      **The a to Z of the Seventh-Day Adventists** Gary Land, 2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861-63 this volume provides a comprehensive history of the denomination
