Spretnak, 2016-06-07 What ever happened to the Virgin Mary in the modern Catholic Church For the past forty years her presence has been radically minimized In a groundbreaking work Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary Spretnak a liberal Catholic asserts that a deep loss ensues for women in particular when Mary s female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a Nazarene housewife Complete with a striking insert of contemporary Marian art *Missing Mary* is a deeply insightful reflection on Mary in the modern age

first mocked and disbelieved But as miracle after miracle occurred in the tiny village tens of thousands of Rwandans journeyed to Kibeho to behold the apparitions For years countless onlookers watched as the Mother and Son of God spoke through the eight seers about God's love sending messages that they insisted were meant not only for Rwandans but for the entire world to hear Mary also sent messages to government and church leaders to instruct them how to end the ethnic hatred simmering in their country She warned them that Rwanda would become a river of blood a land of unspeakable carnage if the hatred of the people was not quickly quelled by love Some leaders listened but very few believed the prophetic and apocalyptic warnings tragically came true during 100 horrifying days of savage bloodletting and mass murder After the genocide and two decades of rigorous investigation Our Lady of Kibeho became the first and only Vatican approved Marian that is related to the Virgin Mary site in all of Africa But the story still remains largely unknown Now Immacul e Ilibagiza plans to change all that She made many pilgrimages to Kibeho both before and after the holocaust personally witnessed true miracles and spoke with a number of the visionaries themselves What she's discovered will deeply touch your heart
