Looking For Seans Father:

Fathers Can Be Good Dads Brigitta Gisella Geltrich-Ludgate, 2014-09-25 *Fathers Can Be Good Dads* is a novel which is based on true events. Even though dates, houses, names of people, countrysides and sceneries have been changed, the family interactions are real. However, not all have been the actions of Ginia Marie Giselle Hinson, the heroine of the book. The majority though are. When the author was a little girl, she often sat around the family sitting room table or stood outside the doors listening as the grown ups in her family were sharing with loud laughter the mischiefs they had gotten themselves into when they were young. Often the author wondered how she could improve on these mischiefs just to get a bit more attention. A heartfelt thank you is expressed to all family members and friends the author had listened to. Everyone was an inspiration to her. Also a thank you is given to all those she had interacted with and to all those who got into trouble with her in moments of absolute exuberance where household rules were ignored. The novel is dedicated to every writer who has struggled through the ups and downs of putting together personal memoirs to preserve in writing for children and their children's children an insight into a life that once existed before their own times. **The Language of the Soul** John L.

Payne, 2015-03-19 Enriched by numerous case studies and years of client experience, this book guides readers to move beyond the tangled web of stories they tell themselves and others about their lives, relationships, illnesses, and disruptive life patterns. Step by step, the chapters uncover the origins of behaviors and feelings such as drug or alcohol addiction, failed careers, and depression. Hidden loyalties to people and ideas are introduced as the underlying causes of these obstacles which cloud the path to success and cause people to believe the stories they tell themselves, eventually losing touch with the truth. Through the examples in this book, readers will learn to acknowledge and embrace truth, spelling out the explicit facts and rejecting the fictions they have created to excuse their failings. *Secret Saturdays* Torrey Maldonado, 2012-04-12 An urban novel with the power and intensity of Walter Dean Myers's books, Sean is Justin's best friend or at least Justin thought he was. But lately Sean has been acting differently. He's been telling lies, getting into trouble at school, hanging out with a tougher crowd, even getting into fights. When Justin finally discovers that Sean's been secretly going to visit his father in prison and is dealing with the shame of that, Justin wants to do something to help before his friend spirals further out of control. But will trying to save Sean jeopardize their friendship? Should Justin risk losing his best friend in order to save him? *A Father's Love* David Goldman, 2012-04-24 What would you do if your four year old son was abducted by your spouse? In June 2004, David Goldman took his Brazilian wife Bruna and their son Sean to the airport. She told him that they would be returning to New Jersey after a two week vacation. Once there, however, Bruna informed Goldman that she was staying in Brazil and keeping Sean. In the courts, Goldman found himself outmaneuvered by the legal machinations of Bruna's new husband, a member of one of Brazil's most powerful families. But Goldman never gave up, appealing to the media and the highest levels of the U.S. government for help. *A Father's Love* is the story of Goldman's incredible five year battle to reunite with his abducted
