This ebook features an illustrated biography of Peter Blauner including rare photos and never before seen documents from the author's personal collection

The Creek J. T. Glisson, 1993-05-19

I had met only two or three of the neighboring Crackers when I realized that isolation had done something to these people They have a primal quality against their background of jungle hammock moss hung against the tremendous silence of the scrub country The only ingredients of their lives are the elemental things

Marjorie Kinnan Rawlings March 1930 in a letter to Alfred S Dashiell of Scribner's Magazine Except for one extended black family and one writer from up north folks from Cross Creek were ornery independent Crackers

J T Glisson writes in this memoir of growing up in the backwoods of north central Florida The time spanned the late twenties to the early fifties and isolation and an abundance of mosquitoes and snakes were their claim to fame The writer was Marjorie Kinnan Rawlings In her 25 years at the Creek Miz Rawlings was regarded as That Woman warm high strung and simply eccentric She drove recklessly smoked in public and had black spells A Pulitzer Prize did little to change her status In Cross Creek everyone had space to be a character and every character had a title the meanest laziest most pregnant or best cat fisherman

Describing day to day life in unaffected prose Glisson's portraits include Charley the fisherman who did his banking in a Prince Albert tobacco can nailed to a tree Bernie Bass who spoke perfect Florida Cracker without polish Old Blue young Jake Glisson's nuisance hog Aunt Martha Mickens the matriarch of all the blacks at the Creek including Henry the first critic to pass judgment on Jake's drawings and especially Jake's father Tom the man whose wisdom boundless optimism and colorful speech figure prominently in Rawlings's Cross Creek Of his famous neighbor Tom once commented that when she gets her tail up above her head her brain don't work

Glisson's own finely detailed pencil and pen and ink drawings illustrate these vignettes and he explains that the idea of earning his living as an artist first came to him

when he saw Rawlings's books illustrated with such vivid pictures that he could smell the sawgrass sweat and gunpowder of the Creek. No wonder. One edition of *The Yearling*, the story of a deer and a boy Jake's own age, was illustrated by N.C. Wyeth who visited Cross Creek and chatted about drawing it. It's a matter of seeing and practice while eleven-year-old Jake watched him sketch. Tom Glisson died while his son was enrolled in art school in Sarasota three years later. Miz Rawlings died and an era ended. Today J.T. Glisson lives four and a half miles from the house where he grew up. When there's a breeze from the south, he writes, he sits on his porch and listens to the soft rustling of palmetto fronds, almost embarrassed by the beauty of his memories. J.T. Glisson has been an illustrator, publisher, and businessman. *Things that Fall from the Sky* Selja Ahava, 2019-04-04

WINNER OF THE 2016 EU PRIZE FOR LITERATURE. One quirk of fate can send life spiralling in the most unexpected direction. A young girl loses her mother when a block of ice falls from the sky. A woman wins the jackpot twice. A man is struck by lightning four times. Coincidence. Or something more. *Things That Fall from the Sky* is the tale of three lives that are changed forever by random events. But it is also a meditation on the endurance of love, the passage of time, and the pain of loss. Selja Ahava, one of Finland's best-loved novelists, weaves these stories together in an unforgettable one of a kind fable about the twists and turns that can define a lifetime. **All In The Line Of Duty** Amy Hudson, 2016-01-07 In a hot sun scorched English valley, a young male is found dead. A few days later in Austria, another young male is found dead. Is there a connection between the two, and if so, what is it? DCI Mark Morgan from Hipton, England, together with Chief Inspector Zweig from Mayrhofen, Austria, try to solve what might be a double murder. But there seems to be precious little to go on, and progress in the case is agonisingly slow until a letter is discovered in an attic of a house in the small Austrian village of Schwendau. Could this letter hold a clue about the deaths of the two young men? What seems to be a simple communication is far from that. It is a voice from the past, a letter which hints at a very dark time during the Second World War. There are references to Himmler and concentration camps, but this letter was never posted, so is it just a distraction for Morgan and Zweig, or is it crucial evidence in their quest to track down the killer? Time moves on, and still the case is beset by complications and unknowns until a third murder is committed back on English soil. Can Mark Morgan connect this murder with the other two, and if so, what are the implications? The case goes from being an intriguing puzzle to a complex series of problems which need to be solved in a race against time, in case the killer strikes again. On the home front, Mark Morgan has problems of his own. His relationships seem to be taking a nosedive out of all control. Shocking news about his father finally comes to light, and his brother is off to Russia, for who knows how long, sending the family into confusion. This novel can be enjoyed as a stand-alone story in its own right, with a dramatic plot full of complex twists and turns, or it can be read as a sequel to *The Quiet Deaths*, where the central characters are introduced chiefly DCI Mark Morgan and his family and friends. As in the first book, there are plenty of back stories where the reader can find out what's new in the lives of the central characters. There is a lot of humour in the novel for the reader to enjoy despite the dark tone of much of the main plot. The

novel will leave readers with a lot to think about especially in the context of war family trust and loyalty and raises some thorny issues to grapple with
