Tucker's Bride Lois Richer, 2014-03-15 Ginny Brown couldn't believe it After seven years of silence the man who'd promised to marry her was back in Jubilee Junction But he hadn't come to claim her Tucker had lost his faith in God and he knew Ginny with her rock solid belief was the one person who could help him After one look at his troubled face she couldn't say no She'd thought God planned for her to be Tucker's bride but maybe He had something else in store Because even if Tucker returned to his faith there was no guarantee that Tucker would ever learn to love her again Unless deep down he'd never stopped [This Promised Land](#) Cathy Gohlke, 2025-04-08 When she ran away as a young war bride she was cut off from her family forever or so she believed Decades later maybe the only way to move on is to go home Ginny Pickering

Boyden can't wait for her last day of work when she'll be free to pursue a lifelong ambition through a master gardener apprenticeship But an unexpected letter brings shocking news Ginny has inherited her family's Christmas tree farm a dream she'd long ago given up Facing a past laced with memories and lies she's tried hard to bury a furious nephew who thought the land would be his and a failing farm with a mountain of debt Ginny returns to New Scrivelsby Virginia determined to sell But when her younger nephew a Vietnam vet appears with demons of his own and three young children in tow Ginny isn't

sure what to do Too much of their story reminds Ginny of her own She has little hope however that three generations of warring Pickerings can set aside their differences to restore all that s broken both on the land and in their hearts Set against the beautiful and rugged landscape of the Blue Ridge Mountains This Promised Land is the story of a daughter s longing to make sense of the past and of the unbreakable bonds that bring prodigals home A modern take on the prodigal son story written by a four time Christy award winning author Contains discussion questions ideal for book clubs History buffs looking for deep writing and character development will want to add Gohlke to their lists Recommend to fans of Lisa Wingate Amanda Dykes and Valerie Fraser Luesse Library Journal on Ladies of the Lake Watertown Chuck Booth,2019-02-18 The weapons of war that inflict debilitating wounds upon the men and women who fight with it have much greater range than the target they are aimed at When men and women deploy to a war torn theater they do so with the prayers and fears of loved ones When they return broken and dismembered another battle begins as loved ones adjust cope and grieve The parents the unsung victims of the war cry out Look what they did to my baby Logan was no stranger to the wages of war but he wasn t prepared for what he found in the Adirondack Mountains only a few miles south of Fort Drum *Kind of Cruel* Sophie Hannah,2013-08-06 Brilliantly executed psychological suspense Booklist starred review from the bestselling author of The Wrong Mother When Amber Hewerdine consults a hypnotherapist as a desperate last resort she doesn t expect that anything much will change She doesn t expect it to help with her chronic insomnia She doesn t expect to hear herself under hypnosis saying words that mean nothing to her Kind cruel kind of cruel words she has seen somewhere before if only she could remember where She doesn t expect to be arrested two hours later as a result of having spoken those words out loud in connection with the brutal murder of Katharine Allen a woman she s never heard of Kind of Cruel is the 7th book in Hannah s acclaimed Zailer Waterhouse series Charlie and Simon have just gotten married but domestic bliss is proving rather illusive not least because Charlie ends up in Simon s investigation as a witness Charlie s sister Liv is still sleeping with Gibbs making Simon s work life complicated and irritating Charlie to no end And Simon s boss and adversary The Snowman is still being generally horrible Featuring all the Spilling PD characters fans know and love Sophie Hannah s trademark dark twisty plot will keep readers guessing until the very end *In The Wind* J.K. Savoy,2008-03-24 In the beginning butterflies were free A rose was a kiss that Earth blew to the Sun just to say thanks then we came along Michael Tanner playboy politician philanthropist finds himself in an Eastern European missile silo perplexed as to why he s just flicked the switch in a scheme to end all life on Earth As he becomes aware of the enormity of his deed a power beyond his grasp compels him to document the process that led him there for his own understanding or for a posterity that may never be Obsessed to put the pieces of his fragmented mind together his fingers fly across the keyboard How did this happen to him How could a person dedicated to getting high or getting elected become the lone horseman of the Apocalypse These questions assault and consume him as he loses himself in stream of consciousness writing hoping to understand the metamorphoses he has undergone Tanner s

escapade began when he and his girlfriend Ginny were speeding in his Ferrari to a play in Manhattan After a clogged fuel line forces them to sputter into a New Jersey diner s driveway a chance encounter with a tattooed waitress named Maya sets the course for events to come An admitted ass man Tanner becomes blindsided by his fixation on Maya s derriere His life goes into a tailspin when Maya s ex lover a convicted terrorist Gabriel Durango enters the diner following his prison break Durango the leader of a 1970s worldwide nihilist group called the GODS takes the unlikely trio hostage in a Soviet era bomb shelter During his ensuing confinement through forces beyond his understanding Tanner becomes brainwashed into enthusiastically resurrecting the GODS s long abandoned plan to annihilate humankind The coke snorting would be governor and his bimbo girlfriend are ready targets for the wiles of their manipulative charismatic captor In spite of her prior relationship with Durango Tanner becomes romantically involved with Maya Early on in their captivity Tanner learns that Maya is a former parapsychology professor and member of the GODS Unending TV news updates transmitting filtered streams of characters and events force Tanner to keep in touch with the outside world After continuous revelations of Ginny s past and his family s dark secrets via the newscasts Tanner experiences a crisis of conscience This plays into Durango s intricate manipulation of Tanner s perception In *The Wind* explores the subtle yet overwhelming power of suggestion and its potential in achieving personality transformation The novel demonstrates how the phenomena known as Stockholm Syndrome can effect drastic changes in behavior of an unwary victim It shows the frightening possibility of how even a tycoon and political rising star like Michael Tanner might be converted to a radical accomplice of fanatics determined to eradicate humankind for a greater good The question remains did Michael Tanner take on the purpose of another or might he simply have become in touch with his true self
