supposed to be a ghost Her dark secrets unearth old enemies who want her dead I m Vincent Giordano underboss to the Giordano family I should know better than to start a war I should know better than to let love into my cold heart This isn t a fairytale When she kisses me I won t turn into a prince I ll still be the beast Yet I can t let them take her I just don t know what it will cost me this time Tempt Me is a DARK standalone single dad mafia billionaire romance in the Dark Odyssey series If you love a filthy mouthed possessive Alpha you will love this CAUTION Be prepared for one wild steamy ride Read at your own risk

Narratives of Mexican American Women Alma M. García,2003-11-05 Alma Garc a offers a bold new interpretation of identity formation for second generation immigrants in America The narratives of Mexican American women in higher education reveal their journeys of self discovery a process filled with tensions contradictions and ambiguities Garc a captures the spirit of their struggles to understand their sense of self culture and society Her qualitative analyses reveal the emergent processes by which these women negotiate ethnic gender and class identities with their Mexican immigrant parents and with their university communities Garc a integrates a wide range of theoretical frameworks to study educational life experiences Her findings offer significant insight into the processes of cultural continuity and change and the potential for upward mobility for immigrants Garc a proposes new university policies and curriculum changes to improve the situation for second generation students She calls for the reform of higher education in the United States to open its doors more widely to Mexican American students and other underrepresented groups to make the educational system truly reflective of the ethnic diversity that has always formed the core of American society Garc a s new book is a valuable contribution to Mexican American studies ethnic studies women s studies comparative education and sociology

Closure Bruce Eberts,2023-06-15 In 1984 the students at Tear Falls High School in Northern Ontario were terrorized by a group of four bullies who used any means possible to exert control over their peers Their favorite targets were four best friends Kevin Doug Art and Nelson and the abuse was relentless Nearly forty years later Kevin has died by suicide and Doug is diagnosed with a fatal disease Now living in Southern Ontario the three men try to move forward with an exciting new business venture but the trauma of these recent events causes old high school memories to resurface How much did the abuse impact who the men became Have they overcome their anger and their shame One day the men read in the newspaper that one of their high school bullies has been murdered Hamilton detective Tim Bennet begins to investigate uncovering a disturbing detail about the way the victim died In a matter of months a second and then a third bully is murdered Who is executing these men and why are they leaving such an alarming calling card Is there time to catch the killer and save the fourth man in the group of bullies the kingpin Or will his death finally bring closure

Off the Spectrum Gina Rippon,2025-04-01 A cognitive neuroscientist reveals how autistic women have been overlooked by biased research and makes a passionate case for their inclusion Who comes to mind when you think about an autistic person It might be yourself a relative or friend a public figure a fictional character or a stereotyped image Regardless for most of us it s likely to be someone male Autistic women are systematically underdiagnosed under researched and underserved by medical and social systems to devastating effects In Off the Spectrum cognitive neuroscientist Gina Rippon sheds light on how old ideas about autism leave women behind and how the scientific community must catch up Generations of researchers convinced autism was a male problem simply didn t bother looking for it in women creating a snowball effect of biased research To correct this male spotlight problem Rippon outlines how autism presents differently in girls and women like their tendency to camouflage their autistic traits or how their intense interests may take a form considered to be more socially acceptable When autism research studies don t recruit female participants Rippon argues it s not only autistic

women who are failed it s the entire scientific community Correcting a major scientific bias Off the Spectrum provides a much needed exploration of autism in women to parents clinicians and autistic women themselves
