Stories, Contemporary Southern Short Fiction Donald Hays,1989 *BOOM* Fred Lavner,2013-05-14 Baby boomer humorist Fred Lavner takes you back to the corner of his Philadelphia neighborhood and beyond for a hilarious account of his schools friends exploits and other examples of teenage angst It s a blast from the past Sharon Nobilio,2010-10-01 What do you call a cult leader who makes you hurt the one who loves you and love the one who hurts you An Irish mother And what do you call the devoted children of an Irish mother Disowned Ah but this can t be my mother My mother is so sweet so cute so TINY Why she s more like the Little People of her girlhood stories than some ominous Jim Jones figure Isn t she While this family history has all the elements of a sad childhood alcoholism neglect divorce the mother is so oddball amusing you scarcely notice the devastation of her children even as they help to destroy their father Unlike Frank McCourt s claim that there is no childhood more miserable than an poor Irish childhood this is a chronicle of how true misery is more insidious For it s when an Irish parent puts down the whiskey and drags her children into her version of the American dream that they will pine for the good old days when their mother was just a drunk and their daddy a happy deadbeat BACKWARDS is a story of loyalty And betrayal Set in the innocent fifties and turbulent sixties this childhood memoir traces an Irish war bride s pursuit of success And when this poor country girl finally lands wealth and prestige despite the hindrance of her backward children and their lazy father surely that s a happy ending Isn t it **The Tour to End All Tours** James E. Elfers,2003-01-01 During the winter of 1913 and the spring of 1914 the New York Giants and the Chicago White Sox took a trip around the world Organized by crusty John McGraw of the Giants and the White Sox s Charles Comiskey it was a trip of epic proportions a tour to end all tours recreated here in all its monumental sweep and comical detail This book follows the two teams whose members include Christy Mathewson Jim Thorpe and half a dozen other future Hall of Famers as they barnstorm across the United States and sail the seas to Asia the Middle East and Europe finishing with a game before twenty thousand fans and King George V Along the way baseball s envoys meet such dignitaries as Pope Pius X tea magnate Thomas Lipton and the last khedive of Egypt They play the tables of Monaco survive a near shipwreck and cram a lifetime s worth of adventures into six months Their story told here for the first time gives readers a glimpse into baseball history and the innocence and spirit of a

long gone era James E Elfers is a library analyst at the University of Delaware *The Politics of Egypt* Ninette S. Fahmy,2012-10-12 This book addresses two important matters of current concern to Middle East scholars firstly the nature of the Egyptian state and society and the interactive process between them and secondly how change which would finally lead to development can be initiated The book argues that the Egyptian case represents a weak authoritarian state which through its coercive and repressive policies towards various societal forces political parties professional associations and organisations and individuals creates a weak society Individual behaviour in urban and rural communities sometimes viewed as signs of the strength of societal forces is seen here as a symptom of a weak and fragmented society The existence of a weak society in turn impedes government objectives and hinders the implementation of developmental policies and programmes further weakening the state This being the case change has to be initiated externally in both the political and economic spheres **Fighting for Adalyn** Katie Reus,2024-05-28 She trusted the wrong person And got good people killed While Adalyn will live with that mistake forever she finally got justice Even if it cost more than she d imagined But the past has come back to haunt her and it wants revenge An enemy is out to destroy everything she holds dear starting with her sister He s targeting all her former haunts and connections in New Orleans using the wildness of Mardi Gras week to commit his crimes He thought she betrayed him and never looked back Rowan veteran Marine has hated Adalyn for getting his team killed Until he discovers that the former CIA agent risked everything to stop the real perpetrator Now they re racing against the clock to stop a faceless madman determined to kill them and as many people as possible before the week is over If they can t figure out who he is or what his endgame is an entire city could go up in flames with them in it Author note all books in the Redemption Harbor Security series may be read as stand alone romances complete with HEA *How Far She Went* Mary Hood,2011-03-15 Mary Hood s fictional world is a world where fear anger longing sometimes worse lie just below the surface of a pleasant summer afternoon or a Sunday church service In *A Country Girl* for example she creates an idyllic valley where a barefoot girl sings melodies low and private as a lullaby and where you could pick up one of the little early apples from the ground and eat it right then without worrying about pesticide But something changes this summer afternoon with the arrival at a family reunion of fair and fiery Johnny Calhoun everybody s kind and nobody s kin forty in a year or so and wild in the way that made him worth the trouble he caused The title story in the collection begins with a visit to clean the graves in a country cemetery and ends with the terrifying pursuit of a young girl and her grandmother by two bikers one of whom had the invading sort of eyes the woman had spent her lifetime bolting doors against In the story *Inexorable Process* we see the relentless desperation of Angelina who hated many things but Sundays most of all and in *Solomon s Seal* the ancient anger of the mountain woman who has crowded her husband out of her life and her heart until the plants she has tended in her rage fill the half acre The madder she got the greener everything grew *The Neutral Yankees of Nova Scotia* John Bartlet Brebner,1968
