Wight,2011-04-27 No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author Now in this warm and poignant memoir Jim Wight talks about his father the beloved veterinarian whom his family had to share with half the world Alf Wight aka James Herriot grew up in Glasgow where he lived during a happy rough and tumble childhood and then through the challenging years of training at the Glasgow Veterinary College The story of how the young vet later traveled to the small Yorkshire town of Thirsk aka Darrowby to take the job of assistant vet is one that is well known through James Herriot s internationally celebrated books and the popular All Creatures Great and Small television series But Jim Wight s biography ventures beyond the trials and tribulations of his father s life as a veterinarian to reveal the man behind the stories the private individual who refused to allow fame and wealth to interfere with his practice or his family With access to all of his father s papers correspondence manuscripts and photographs and intimate remembrances of all the farmers locals and friends who populate the James Herriot books only Jim Wight could write this definitive biography of the man who was not only his father but his best friend NOTE This edition does not include a photo insert **Sacred Sound** Guy L.

A Personal Relationship Claude Pitout, 2013-07-24 This is no idea or new concept A Personal Relationship involves and teaches one on a path that is not religious that one need not necessarily need to go to church in order to believe in God but that one can have a personal relationship with God in the comfort of their home and thus came about the name A Personal Relationship A personal relationship being non religious does not matter what religion faith or path you are from as not only are all these paths but part of the stream that lead to the ultimate source but that a personal relationship should be the base to all religions faiths or paths as it is your one on one personal experience with God that matters A Personal Relationship provides one with a basic foundation rooted in belief trust and faith and then goes on to teach one crucial aspects to a relationship with God like gratitude and forgiveness The book then takes you into a path of goodness and talks about the principle to love one another to bring you into right relation with God so that you can have a fruitful and fulfilling path and life with God *Episcopal Hymnal 1982 Blue* Church Publishing Incorporated, 1985-06-01 This pew edition also called basic singers edition contains all hymns and service music for all who sing choir and congregation alike It is the current official Episcopal Hymnal
