addressed in the church if at all With no one to talk to and no resources available at the time I struggled in silence The church needs to return to the place that recognizes the importance of being a hospital to those who are spiritually sick not a place of judgment It should be a place where people can bring their internal struggles and conflicts to receive healing There are too many young Christian youths who are battling with obstacles such as lust masturbation greed loneliness and so much more with no platform to which they feel safe to turn to There are also too many Christian parents who have unintentionally created blinders in their children s lives that they don t realize some of the things that their kids are struggling with This book is not for the faint at heart For those who are too spiritual be warned It s biblical It s the raw and the uncut truth of what your Christian teen or adult goes through Proverbs 28 13 states You will not succeed in life if you try to hide your sins Confess them and give them up then God will show mercy to you In order to be free from anything you must first acknowledge and then confess your secret If you are trying to strengthen your relationship with God but you are still struggling with your trashy fleshly desire to commit sin then this book Me Versus Me The Struggle to Be Your Better Self is for you **Beyond the Looking Glass** Remuda Ranch,2006 Joy in the Midst of Pain Diane Czekala,2015-09 When Diane Czekala s daughter April died in 2011 she was just twenty three and had her whole life ahead of her Uniquely she knew she was going to die and told her mother about it three months before it happened Diane wanted to hear nothing about it but then told her IF you do die find a way to let me know you are okay After her death Diane and her husband Michael feared for April s salvation But Joy in the Midst of Pain recounts dramatic instances of dreams visions and prophetic inspirations that came from people across the country who knew April Each clearly confirmed to the couple their daughter was with Jesus there is life after death and it is wonderful As a minister of healing Diane also explains different types of grieving understanding the grieving process and hindrances to healing as she shares her story If you wonder about life after death are sorrowing the loss of a loved one or know someone who is Joy in the Midst of Pain will offer hope in Jesus and inspire you to draw near to God As Diane s story emphatically demonstrates He will get you through The Prayer Bible Elmer Towns,Roy B. Zuck,2014-04-21 The key to seeing all your prayers answered is simple pray the words of Scripture back to God Since the Bible is God s Word and it reveals God s heart you will become closer to the Lord as you pray the timeless truths of Scripture when talking to God You are actually praying His Word back to Him With the Scripture presented in a fresh contemporary version The Paraphrase Prayer Bible will show you how to pray based on the Word of God Throughout these pages you will find verses that help you direct your prayers toward God in Offering praise Making specific prayer requests Communion and intimacy Worship And more The Prayer Bible will help you connect with God in a powerful new way as you pray the Scripture back to Him learn how to personalize the Bible and watch the Word of God come alive like never before Walking a Woman's Path Helen M. Russell,2006 **After the Hurt** Hillary Williams,2019-09-06 After the Hurt with God as my therapist is the story of my journey toward uncovering and pursuing my destiny The book contains biblical truths and draws

some parallels to some stories from the Bible The hope for this book is for it to reach all the people who are or have been hurt by experiences that life sends to challenge and break the psyche The journey outlined in this book spans over twenty years and started with the end of my first marriage I share experiences from the struggles of single parenthood failed relationships low self realization low self actualization low self regard and a lack of love for myself Many of the experiences that were shared in this book were difficult to put into words but they are my truth I wanted to show every reader of this book that despite the extent of your brokenness there is a God who loves you and will heal you if you let Him My life experiences have taught me that each of us can change and grow It took many years and many failures to realize that I would not find peace in my soul until I allowed God to do the work in me When I turned my life to God s complete control He had to show me the truth about me My truth was ugly it was messy and it seemed insurmountable God had a plan for me My Christian life was not without struggles and heartache but God showed me His plan for me Once I allowed God to break open my secret parts I recognized many faults that I was unaware of Then God showed me His principles that I had to live by Living God s way is not easy but my life was totally revolutionized Through the study of God s word I learned how to conduct myself and live by His word Through heightened education I learned emotional intelligence I became equipped for where God was taking me I am not the person I used to be neither am I finished with my therapy I am better than I was and more determined to equip others for success
